If you want to print them off it is cheaper to go to a warehouse type store as a home printer is quite expensive.

Also again here is a good free word program. I use it all the time in place of MS Word

Thanks. Its been very enjoyable. Going back over a lot of this stuff some forgotten and some I really had to think over. I have a lot more time now as I'm mostly retired. Going to put some more up. Probably OT survey as I've been giving a lot of thought to Genesis.
