---

I was just wondering about other ministers such as Jeff Barnett.

I think he was the person who most wanted to be the next Hobart Freeman. That was my impression of him.

I heard that he had abandoned the faith message.

Also on the discussion of Steve Hill, I know that he still personally trusts God instead of running to man for healing.

As some of the ministers in Hawaii mentioned a few years ago that they were having to believe with him because he was very sick before having to do a TV interview and he wanted to trust God.

And there were other ministers like Jerry Earvin that I wonder what became of them.
