Anyone remember her. Back from the seventies. A bro posted this on facebook. I'd forgotten all about her.

I don't think I've ever heard of her, but her voice reminds me of Carole King who was popular back in the 60's and 70's.

That's an unusual name, is she Native American or maybe Canadian?

Honeytree was a regular girl from Fort Wayne. She went to a Vineyard Church at the time.

Her real name is Nancy Higgenbaum (sp?). It is German for honeytree.

I saw her at a little concert in the area when I was at FA.

I loved her music. A friend of mine plays her music at her interior design store; Liz At Home. According to Liz, you can still get her music.
