This song in the first half He has given us everything, quickened and idea to share for you to benefit by. I am going to find time to create a visual like a picture or a chart. It will hang to be seen every morning. it will be decorated around the outside of the words written on it. it will read:

God--

he is totally unlimited

all things are possible for him

he is exceedingly able to do all things

He created all things

his wisdom is unsearchable

He is never tired or weary

he is all abundant in sufficiency

he is dependable and faithful

he is the river of life

he loves me. forever amen.

God bless you all. Hope you will enjoy doing the same.
