There is a heresy being taught that Jesus was a sinner on the cross. Saying God forsook him because of that.

research shows Martin Luther believed that but added that the Lord also committed those sins.

Judgment has now come. 22:7 When the people see Jesus they laugh to scorn--(holy laughter movement and shoot the lip. Also they shake the head. (uncontrollable shaking esp. of the head movement)

Please understand that we are talking about people who mock the word of God and evil spirits take over their lives. In Heb. 10:29 we have -- a rebuke for calling the blood a unholy thing. Jesus was not a sinner but a sacrifice for us.
