I think my Messianic friends have a good arguement about the proper day for Sabbath being on Saturday. Constitine(sp?) came along and changed everything by helping to anchor paganism in the church and Sabbath was just one of the changes.

Faith Ministries has a booklet on the subject and Dr. Freeman thinks Sabbath was Saturday, but now it is Sunday.

I know I am free, and can do it anyday I please, but how do you all feel?

I think this is really an interesting topic and there is good debating material for both sides.

Blessings,
