You may be in a confused or difficult spot. Not a negative one though. Things look a little hazy. Most important is to get into a spiritual spot. Nothing seems to be ministering to your inner man.

example-- I took my brother out fishing on my boat. we went early. It was dark and the fog was thick as could be. never had been to this lake before. We were lost. After waiting you could hardly see the shore. We were looking for any sign of the shore, if we see it there is direction.

The analogy is looking for the shore and focus on that. Here is a key. Gal. 5:22-23 is about the fruit of the Spirit. There are 9 listed. Might as well start with the first. Love. We focus on that fruit. After how many days God will help focus on a experiential focus on love. All we say think do etc. Get it? love ,love , love think, love , love , love. What is next? joy, joy, joy,. Not saying here that you can't enter love and joy mode.

Read love , give love, hug family. get that love fruit in action. Be sure to quote that fruit by name often. basically become love. Offer forgiveness and reconciliation. give to someone their need. A-N-D- become like Jesus. and manifest righteousness and prosper and heal etc. The sons of God have Jesus living in them and then God's word manifests marvelously. Matt. 6:33. Watch your tongue no doubt or unbelief even about yourself. that is faith.
