The three new buildings in Jerusalem are represented by Catholic, Islam, and Judaism. What I found is to show how close we are to the Antichrist.

Islam-- This is a Muslim religion. Jn. 2:21-23 They deny Jesus is the son. Allah has no son. That is what Mohammed taught.

Judaism-- right now they are arresting anyone preaching the gospel in Jerusalem. One year prison term. In the N.T. we see that they charged Jesus with blasphemy. Matt. 26:63-66 He told them he is the son of God.

Catholic-- The Pope takes the place of the son of God. He even forgives sin. The teachings they teach include that the book of Revelation is allegory and not literal. Rev. 22:18-19 not allowed to add or take away from this book or perish.

More could be said here but the point is These are not Holy religions and looks like a start in the future plan.
