The question came to mind, does the Druids worship gods? In my research was found the answer. The reason for this is Halloween is a religious holiday. Also the Catholics who say they are Christians appeared to stand against the Druids. They would burn anyone at the stake if they were witches. The problem got out of hand and they burned Christians as well. It appears that true Christians and Druids had influence to pull people to their faith which would keep them from being Catholic. See Jesuit history.

In the shocking find about the Druids, I found this material. Here are a few points to open up the review.

The title is ---The queen of England is a Druid and Druidic abominations. by Johnathan Wain. The queen was a princess at the time. Her picture shows here in a priestess garment with two women with her. The info. reveals that Druids believe in nature gods and every occult belief possible. I noticed that they say oak and mistletoe. Also a corrupt interpretation of Noah. Oak is a sure sign of Baal. Noah seems to show how ancient they are. Look for gailic polytheism--many gods. Look for Archbishop of Canterbury.

So what have I found? In our time the many opinions of whether one can celebrate the holiday differ. My search was to find out if there was a god or gods involved. By finding that gods were involved the answer would be clear. The roots of Halloween are pagan-- demonic abominations of occult powers of darkness, and the worship of other gods. Deut. 6:4-5 The Lord God is one Lord. and we love him with all our heart, soul, might. By faith we are delivered from all Spirits of abomination, no matter how innocent they may seem.

I apologize for my mistake. I was excited about the way something would reveal that Halloween relates to being associated with gods. the video did this. unfortunately I cannot endorse the rest of this ministry due to it having strong errors in other videos. I would never want to show something that is good along side of other teachings that are not biblical. if you watch please avoid and be discerning concerning the wrong biblical teaching Wain presents. God bless.
