In Rev. 13:18 most see this as, here is wisdom. It really says after that him who has understanding. Many have wanted to know the beasts name. That relates to the number of his name, 666. The word wisdom means action. In order to act there must first be understanding. For instance word of knowledge is not word of wisdom.

Wisdom here is not wisdom of men. It is wisdom of God. That is your answer. Only those who have the Holy Spirit can have the wisdom of God. That is why it is secret. I will give you a clue. To take the mark of the beast is death and no forgiveness. 13:6 The beast blasphemes God (and his name), his tabernacle, and all in heaven. all who are not written in the Lamb's book of life. What is written in the Lamb's book, names.

God is supreme in wisdom. That is why it is secret. The name of a fool has no value, nor does a unknown number have value. Just be sure your number is in the book. That is wisdom. that is value.
