Subject: Speaking in tongues

I went through a trial recently where I was all but overwhelmed. It wasn't sickness or money or anything material really. I didn't have any real idea what to do so I took refuge in Ps. 91 and speaking in tongues. I came to the conclusion that as long as I could speak in tongues I could not be defeated so I refused to be afraid.

As long as we can speak in tongues we're on top of things. Even if doesn't look like it. Even if everything (seems?) to be falling in pieces around us. We can never be defeated if we continue to speak in tongues.

The weapons of our warfare are not carnal but mighty through God.
11Cor. 10/4 The devil has no defense against it. Paul said he spoke in tongues more than anyone. Sometimes the only way we can express our faith is to speak in tongues.

Jesus said he would never leave us or forsake us and one proof of that is that we can continue to speak in tongues. If we can speak in tongues we know that God is still with us and one way or another we will get through.
