I wanted to post a link to my Deliverance from depression website in the hopes that my testimony will be a blessing to others. I felt moved by God to create a website and share my testimony. You can view my testimony at <http://www.digitalsmiles.ca/testimony.html>

Hello Bev,

That was a wonderful testimony. It's hard for those who have never experienced prolonged depression, to understand just how debilitating it can be. Hopefully, your testimony will cause others to take the first step toward recovery!

Blessings,
William

William,

I pray also that my testimony will touch the hearts of others who have been bound by the prison of depression. Satan is a liar! There is a way out!

...I unabashedly support that site too.

Bev's my wife and has been delivered. God is good!
