If I could sing this would be one of my favorites.

Life is easy when you're up on the mountain
And you've got peace of mind like you've never known
But things change when you're down in the valley
Don't lose faith for you're never alone!

You talk of faith when you're up on the mountain
But talk comes so easy when life's at its best
Now it's down in the valley of trials and temptations
That's where your faith is really put to the test.

For the God on the mountain
Is still God in the valley
When things go wrong He'll make them right
And the God of the good times is God in the bad times
The God of the DAY is still God in the NIGHT."

A friend of mine who used to be part of the faith message put out a disc with that song on it. It's in my truck. I'll bring it home and post it.

The Album he put out won the gospel album of the year from the country music association about 6-7 yrs ago.

Any of you remember Rick Martin? He was from here in Canada but was fairly well known around FA as well
