May the Spirit of God bless all my true brethren with grace abundantly. May his mercy and forgiveness flow out from me as well as him. Don't forget to pray special for tomorrow, it is a halloween day, and full moon. I confess by the power of the name of Jesus , and refute all curses going out to disturb God's people. May we all praise him and worship in Spirit and in truth the glorious ,holy , mighty, sovereign, great high priest and prince of peace, the Lord Jesus Christ, amen and amen.
