There is a lot of hype about the rapture being today. They talk about feast of trumpets. When it doesn't come they will be like false prophets who are disappointed. They will have a backup answer though. How they were wrong but were so positive it would be today.

The answer that they are looking for is how to know? Those who are preparing by the Holy Spirit know and the trumpet voice Rev.4:1 will be heard by the bride before the day of his coming. It is the Spirit and the bride who say come Rev.22:17. That shows the Holy Spirit is still giving the Baptism with tongues. The sealing of 144,000 Jews is receiving that baptism. Eph. 4:30 and Rev. 7:3-4.

The sound of the trumpet also is a battle cry. it will sound for the rapture and the very next day the day of God's wrath (battle).it is called the day of the Lord. Acts 2:20. That will be a blood moon sign. The first blood moon sign was on the cross.

Now is the time to get rid of the carnal fleshly life, and be a glorious holy bride. without spot, wrinkle, blemish.

Just wanted to say, praise the Lord I was correct--(it is not yet) God is going to send a revival before saints are raptured. There will be false ones first. God will manifest his sons. A edifying question for you the reader. Are you speaking God's word often. Also keeping up with positive confessions. Also thinking positive not negative, especially about trials and negative things in your life. If you are alone confess God is with us and he is in us. The kingdom of God is invisible but as real as what you can see. I love 1John 1:9. My God is a whole lot bigger than anything. He is to big to fit in Solomon's temple so he placed his name there.
