---

There are a lot of false Prophets, teachers and heretics who place this vision on their videos. They do it to get people drawn to their false ministry. The vision and the devil tries to corrupt truth.  
Look

on you tube to hear the vision read to you. Just to hear about the vision. So far the message appears to be a hope for the church but it is not accurate. If there are more visions on end times share with us. we do believe in some being true.
