PSALM 149

(Praise to God for His Salvation and Judgment)

Praise the Lord!

Sing to the Lord a new song,
And His praise in the assembly of saints. (or on OO   )

Let Israel rejoice in their Maker;
Let the children of Zion be joyful in their King.
Let them praise His name with the dance;
Let them sing praises to Him with the timbrel and harp.
For the Lord takes pleasure in His people;
He will beautify the humble with salvation.
(The Lord takes pleasure in His people and saves them. The people praised Him for military
victories.)

Let the saints be joyful in glory;
Let them sing aloud on their beds.
Let the high praises of God be in their mouth,
And a two-edged sword in their hand,
To execute vengeance on the nations;
And punishments on the peoples;
To bind their kings with chains,
And their nobles with fetters of iron;
To execute on them the written judgmentâ€"
This honor have all His saints.

Praise the Lord!

A sister and I have been working on a huge project of transferring all of the FA music I have on
tape to CD form. It has been very hard and time consuming, but I feel it will be worth it in the end.
We will be sharing the music on OO as soon as we get it all finished.

I believe this music will be used to defeat the enemy by praising Him. Praise does not come
naturally to me, especially when I am in the midst of trial, temptation, sorrow, and

discouragement. However, praise is a mighty weapon that the enemy hates. I believe it is a miracle that I still have all of this music. God kept the music safe with all of moves I have had. With one house in particular, I am thankful the tapes were not destroyed. Huge mistake on the enemy's part....big. Because the enemy was not thinking ahead, now this music will be available world wide.

Don't move that dial, we will have it here very soon!

"I will bless the Lord at all times; His praise shall continually be in my mouth."

Blessings,
