Lockdown: The New Totalitarianism --

[Luk 21:24, 29-33 KJV] 24 And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled. ...

The first part (Luke 21:24) took place in 70 AD. The second part (... and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled.) seems to have endured until 1967. The big question is: Are the "times of the Gentiles" fulfilled already or are we in a position to see this period coming to an end?

Luke 21:29 And he spake to them a parable; Behold the fig tree, and all the trees; 30 When they now shoot forth, ye see and know of your own selves that summer is now nigh at hand. 31 So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand. 32 Verily I say unto you, This generation shall not pass away, till all be fulfilled. 33 Heaven and earth shall pass away: but my words shall not pass away.

Brothers and Sisters, Jesus gave us a parable that intimates that anyone with a mind should be able to see that a fig tree starting to bloom indicates that summer is now nigh at hand. Are we able to discern the signs indicating that the times of the Gentiles is (or soon to be) over?
