it is very interesting that the bible has a alternative for Halloween. it is in Acts 20:20. In my words, the people went from house to house as well as publicly and were taught the word of God which was profitable.

Many scriptures show that was they did a lot of. They were always on the go from persecution as Christians and didn't really want to be out with Romans and other kind of people who hated them.

In Deut. 18:9-14 God wanted his people to be overcomers (perfect) the list includes witches and other occult people. What catches the eye most is God calls this a abomination. Does grace accept his people copying those by walking with them in their abomination.

The mockery of deliverance is a way of saying God will not set you free unless you compromise and do that which is evil. That means chasing the devil away by looking like him.

Here is a instance that you can see hid in plain sight. The Vatican with a obelisk from Egypt. Also his wearing a Dagon hat with fish head. Then his crook and flail while in a casket (Pharaoh). His costume is a message from the dark world. You may see many things that point to Egypt in day. The pyramid or eye of Horus etc.

Only the power of the Holy Spirit can set one free. Think of it, faith can bring to you candy or steak. Just please God. All temptations are a test of loyalty to God and the rewards are tremendous.
