The scriptures most are taught are a educated but great way to show truth. In this hour God is giving revelation by his Spirit which is even more to the heart, wisdom and understanding.

As always I only show the thought but have you read the word. Job 12:10 In God's hand every creature and soul that has breath of man kind. No mention of aliens here only mankind.

Eccl. 12:7 The flesh goes back to the dust and spirit back to God who gave it.

Isa. 57:15-21 v.16 the souls that God has made. My calling is here revealed. when you read this, you may not want this calling.

God is showing here that he is willing too forgive the covetous. and also to revive the humble.

Zech. 12:1-2 God created the heavens and the earth and the spirit of man-the life, within him.

Num. 27:16 the Lord God of the spirits of all flesh, He sets over the congregation who he wills. I would add here, the body of Christ is his possession. He is the head. Not a one man show. He purchased them with his blood not anyone else. We are his to use and glorify his name and make him a praise in the earth, even the smallest member.

If you cannot trust God go to work-if you are afraid another preacher gets some of your offering. Don't worry about me I am a (tent maker type.) I preach but not for money. I owe Jesus everything and more. Be mature here, I walk by faith.

concluding-- Every living man kind is made and guided by God. Therefore he has the right to rule over all. Every knee shall bow and tongue confess Jesus Christ is Lord. I seal this message with love and hope for all and am zealous for restoration of his Assemblies and saints. and yes I am holy but not more than thou.
