I had mentioned the name of a brother from a assembly in Virginia, to another brother. He said he knew him and he didn't tell me much or where the Assembly is but I knew that I knew a little more than before after telling him what I had found. the website is Dennis Schmidt bible papers.com This is a awesome inductive bible study from a Charismatic view. It is conservative and of the old Charismatic school. It is difficult that you are a Charismatic and then others bring reproach and shame to the work of God. Don't know which is easier to say I'm a old schooll Charismatic or change the name to another non-denominational one. All I know is that I'm a tongue talkin, Holy Spirit filled believer, who believes the bible cover to cover and loves God with all my heart mind and soul, and loves neighbor also. God is worthy to be praised 24/7 and he is the only reason for living. God bless in Jesus name.

I know what you're saying, brodav9. It seems if you tell someone you're charismatic, you spend the next few minutes giving a disclaimer or explaining how you're not part of the 'TBN, Todd Bentley, Apostolic Commission, laughing revival, Prophecy Seminars, and the like'.

I recently encountered a group of denominational young people(Baptist, Presbyterian, and Episcopalian) and while their eyes are blinded to so many truths(such as the Baptism of The Holy Spirit with the evidence of speaking in tongues, divine healing, and the message of faith), they just assumed that I was a snake handling, falling out in the floor, gibberish talking person, based on the perception given by so many 'Charismatic Christians'.

I'm leaning towards just saying I'm a follower of Christ, more and more. Of course, at some point the opportunity comes up to share my beliefs. Also I'm learning not to cast my pearls before swine...

I just had a Christian say there's not much on that site. He must have got the wrong site. Dennis covers almost every topic you can imagine of course it's from a Charismatic point of view. The only mistake I found so far is that when he refutes tree worship he says Jer.11 instead of Jer.10. I own most of his stuff by using the page download in the upper area of my main page toolbar.

I went to his web page and read quite a bit, didn't see anything that wasn't taught in The Word of God. Looks like it could be a helpful tool for studying, he seems to have a real desire to help feed The Word.

Yeah, maybe 'someone' got the wrong web site.

This looked like a good place to put any bible study blessings for others. I was wonderfully blessed today by the word. The Lord revealed many things in the study but this is a part he wanted me to share. In Judges 6:1 It tells of how Samson is a lover of a harlot. He does this often throughout the study of his character. a deeper look you will see (a bride)--(man of God)loving a harlot, (a harlot.) a Jezebel is a harlot. even if she is just a spiritual one. notice two things about Delilah. v. 4 He sleeps with her. This harlot, is one who likes reward better than the man. She will take money for seeing his capture and she will be reason that he is wrapped in cords. two days ago I was cutting down small trees, and was trapped in thick cords of vines I escaped and cut them down. I couldn't break them with my hands. The cords that Samson had them tie him with were probably like these. I twisted one and it was green inside. If they were dry they would have broken. In Ps.129:4 The Lord is righteous he has cut asunder the cords of the wicked. In Hosea 11:3-5 key in on v.4 to where it says I drew them with cords of a man with bands of love. When the harlot Jezebel comes to be a problem, her goal is to be rewarded by the devil through her

witchcrafts. She desires to bind the work of God with her cords. Samson is playing with her by partaking with her and not being seperated. She knows what his shortcomings are by the demons in her that reveal these things. Her biggest witchcraft is to manipulate and control by revealing sins in people. She bands them with this as a accuser of the brethren. (Satans favorite position.) Here's the answer. back to Hosea 11:4 her bands are really the bands of God. In the sense that what she meant for evil God meant for good. The bands of God's love keep us from going on in the sins or weaknesses that we hang on to. If our adversary has ought against us we must get it under the blood and overcome. In Rev. 2:21-22 Here is a example of how God loves his enemies. Do we? God gave her space to repent. Hosea 11:5 shows that now God's bands of love were not heeded so he will let another stronger enemy come and as we see after the captivity was over from Asyria, God had his way. God's love draws to repent even by the means he uses. Jezebel is overcome.

Hey Dave,

Jezebel is still a problem today, the spirit of Jezebel is one of the most destructive forces coming against the church today. She has a stronghold over many churches and manipulates them as Satan wills.

Not to correct you, but Judges 6:1 is about Israel being oppressed by the Midianites and Gideon destroying the alter of Baal. Samson is over in chapter 16, I think you just forgot to put a one in front of the six.

(I might not have noticed that if I wasn't using the InstaVerse, thanks for telling us about that, it's very useful.)

thank you I forgot to put a 1, it should be Judges 16:. Sometimes the instverse won't read a scripture but that is rare. Glad if everyone takes advantage of this free gift. It made me happy that you got blessed. The anointing is upon me and I am being flooded with words. I was led to start writing. Many will make new years resolutions, but only by my Spirit can a heart and life be changed. unless one tuff out a thing and excercise their own self will. Perhaps try for awhile and

be disappointed. The bottom line only God can forgive and cleanse sin or wrong doings. Ps.116:1-6-- concerning this passages, The people (David,) of the Lord feel God loves them because he hears their prayers and does the thing which they request. but if they would consider that they breathe the breath of life it is God who gives it. Does not a husband bring home flowers to bless his wife, how much more 1Cor.2:12 The Spirit is given you that you may know the things that are freely given to you. Is it enough that you love God and he loves you, than just looking for him to be a giver of things. For all things are yours-- in Christ Jesus. 1 Cor. 3:21-22. If my people, 2Chron. 7:14 wow when I looked at that 2 Chron.7 I got blessed. I am thankful for all God has done last year and am excited about next year. I don't need a holiday but I do need more of Jesus. Halleluia. I might add In the past, methinks all of us go through this, that when we prayed we thought God would answer like clicking instaverse --instant manifestation. but I praise God for the revelation concerning waiting time. If we have to wait that is called the time of crucifixion and death. When God has done that perfect work --whatever it may be, including test for genuine faith. Then comes ressurection. Many times have I found that my joy is full, and other wonderful things happen at that time. The time when I hydroplaned down a hill that would have killed me and I shouted the name of Jesus, the ice and snow disapeared from under my vehicle, I didn't stop until the last moment before going off the hill. I had to wait till the last minute but God came through right on time. With that life saving time also came a vehicle still running without damage. No insurance going up. Got to go to work. eat a lunch that wasn't flattened and probably more could be said. I can truly say thank you Lord for last year but thank you for all the past years from my birth number one and number 2 birth in Christ Jesus. Alabanza Senior.

Here is one of the pearls God gave upon waking Jan.3. Love is the key to the scriptures. I have started a study on the fruits of the Spirit prior to that experience. Prior to the study I had

written a song by the leading of the Holy Spirit. It was on love God and your neighbor. Because of my prophetic gift, the songs I write are by the Spirit. Miraculous events occur after writing them.

I am very interested in the commandment to love God with all the heart,soul,mind, and love thy neighbor as thyself. So I see why he spoke that to me about love is key to the scriptures.

The Lord guided me in this study-- puffer fish---learning about them they are poisonous,few fish are. It is easy for them to get puffed up.

bellows--- two handled tool to blow air in fireplace to raise up the fire. bellows are also used in cuckoo clocks to cause the bird sound. in a accodian type camera,old models, they forced light out to allow the lens to move to the film plane for focusing. Some instruments have a bellows so to play music and persons not using their lungs.

you can see puffer fish on youtube.---- as I was in Ps.117 it only had two verses. The Lord dropped in my heart a question. This is basic stuff isn't it? He wanted to be glorified and showed me something. There is more there than you see. If a person reads that Psalm in the mind it is wonderful if it excites you to agree with it and begin praising the Lord. But the Spirit has more intention and there is a tremendous amount of learning than the flesh eye can see.

In Rom. 15:11 is the same Quote, Paul is referring to the Gentiles and laud him all ye people. We find in the statement there that though this is being said, a marvelous statement, we cannot exclude the rest of Rom. 15:

15:1-3 each verse has the word please. That word is twin partner with edify. please means aresko--excite emotion, that's neat, edify--oikodome, to build up, also neat. note in v.2 the word neighbor, here it is a brethren. love thy neighbor. the great commandment.

then in v.4-5 The scriptures when used for endurance and comfort, bring hope. that is my interpret of 4-5.

v.13 shows a description of what hope does for those people. Much joy. Though this is lengthy I hope you are bearing with me. Wisdom is on the way. To sum it up. The context of Rom.15 reveals that the Gentiles and people who praise the Lord are those who find hope. That hope is Jesus Christ. The word is the means of revealing that hope. To do this is a gift from God. How to do it is by the Spirit. What to do is by exciting their emotion and building them up,first of all the body, then others.

3 scriptures--- 1. 1Cor.13:4 shortened-- love is not puffed up,but suffers long and is kindness. 2. 1Cor.8:1 knowledge puffs up,but charity-love--edifies. 3.1Cor.4:6 my interpret 2nd half of verse, do not put any other person on a higher elevation because that would be puffing them up above another person. Namely because each individual is precious in the site of God.

we are called (myself) to elevate Jesus and give him all the glory and praise. Also by love to bring hope to others I heard it said " when the head gets puffed up let it leak out with tears. I've been travailing and crying alot lately. I am writing by the Spirit, first to myself and hope that I am blessing someone else. I am learning more about this fruit of the Spirit, it is awesome, I love my God,amen. May I be filled with his holiness. I'm a halleluia, shoutin victory Christian. I am complete in Jesus. I overcome by the blood of the Lamb and the word of my confession. My confession is not what I did but what he has done and completed for me.

Thanks for sharing that with us brother; and as you were saying about The Lord asking you about it being 'basic stuff' and wanting to reveal more? I think that's the way He teaches us many times. First because sometimes we aren't ready for any deeper revelation, and need to grow from milk to meat. And also I think that's the profoundness of His Living Word, as we delve into it, searching

for instruction, wisdom, and to know Him better, He gives us a greater understanding of just how awesome He is.

And as to the 'hope' The Word reveals to those who believe, think about this, that same Word which brings the message of salvation, joy, understanding, hope, peace, maturity; that same Word will be used to judge those who refused to receive it.

I used to hear pastors say, when delivering a message from The Lord, that before they preached or taught on it, The Holy Spirit had had to work it in them first. I've found that when The Lord does give me something to share, it almost always applies to me as well. example: when sharing scriptures or Biblical principles to edify or encourage others, it always accomplishes that in me. That is something that I find very humbling...especially knowing what a marred piece of clay He's using. But thanks be unto God that He can and does take a marred piece of clay and remake it into a vessel that seemeth good unto Him. PTL. Jeremiah 18:4

I was led to share this today, The Lord wants to share his glory in the puffer fish. He had revealed that the low state of the puffer fish was that when he is puffed up he is dangerous due to the fact that he is poisonous. It is no mistake that he is created for the water. Spiritually speaking, he drinks of the water of the word, but that knowledge can puff him up.

At the same time the puffer fish who drinks of the water of God's word is a spiritual picture of him being filled up with the fullness of God. That is the design of God.

I find that the wonderful word of God when handled properly without abuse is designed to be a blessing to those who love it and a punishment to those who abuse it.

in 2Th.2:8-17 We see all the text around the verse 11 that God will send strong delusion on all those who love not the truth. They are the poison of the puffer and are puffed up with the knowledge which isn't the truth. example once saved always saved but not have to live holy lives. and doing false signs etc.

Eph. 3:19 a. shows us to know the love of Christ. b. which passes knowledge c. that ye might be filled with all the fulness of God. read Eph. 4:13 see there unto the measure of the stature of the fulness of Christ. The fish is in the water and that water is the fulness. (Christ) but now the water gets into him and he is puffed and that is the fulness in him.

God uses the base and foolish things to confound the wise prudent and reveals them to babes.

one thought-- the knowledge of the word will either puff us up or it will bring us into God's fulness.

the other pearl which was the dream from God I had Jan. 1st was I was standing in a room with many fishing poles standing. the pole I was using when casting the hook it went up over my head and around my body and the hook caught the line behind me. it was connected lower back area I couldn't reach it. also I struggled. A man who was tall and strong came behind me grabbed me from behind lifted me in the air so as to release the pull and undo the hook from the line it was attached to.

The next day----same day I received the Canada fishing clip, God gave me the interpretation.-- When I go fishing in the water of God's word, And get tangled up by mistakes misunderstandings those things, because of searching for truth and deeper things, which are desired to feed me and others, the Holy Spirit will catch my back, and help me to see I am tangled and mistaken, and get me out of the difficulty. This was for me personally but was asked to share to bless others. I would desire that all the saints have the same heart, to be hungry for deeper things without having only a minister on a Sunday or meeting in the week to feed them. we are fed by the Lord every day. every day, every day. God bless, God speed.

Thanks for sharing this brother.

I appreciate the way He shows you things. These truths may seem simple to some. I don't feel that way. I think these are things to walk in everyday so we are not subject to the snares you have mentioned.

In light of the other posts, people being swayed by every wind of doctrine, what you have shared is vital to making it.

May He give me the grace and mercy to walk in these truths everyday.

I am so glad when I hear someone gets blessed. They are seeing Jesus in me. This is from the 3rd pearl that the Lord showed me. Zech.12:1-3 v.1 as it is written in Col.1:16 all is created by him and for him. When he says form spirit of man we see the idea of potter and clay at it's beginning.

I had been in the study of Mal. 2:14-15 and there was seen in the context of that passage, God could have given Adam 5 wives if he wanted to. He only gave one because it showed a type of Christ and the church. He has not given us a Hagar We must not be treacherous to our wives. The pearl was in the morning waking. I was told, can I not make many more angels? Why he showed me that was because I was in a Col.1: study about how Jesus is exalted above the angels. It was also revealed that Lucifer brought that deception of worship angels because he wants to be a boaster and exalt himself by saying I am higher than Christ. God can create anything to help us.

v.2 a future siege is planned against Israel. All nations shall come against her. Iran is wanting to build nuclear against Israel. China has hacked into U.S. secret intelligence. China and Russia-Gog and Magog, The nations of the North and surrounding, to come against her.

I didn't tell the 3 pearls because they were to be given in the Lord's timing.

so we know that America is also declining as a nation, world powers-- Babylon are joining together. They are upset, Obama won't agree for the Euro dollar yet. The great Harlot is all false religions who will be joined to Babylon. The woman in Rev.12 is the church. She is the 5 virgins who didn't have oil in her lamps. She will be prepared through the protection in the caves. But go through sorrow also. The denominations are the Harlot, they have a remnant in them who God will save. They are being called out. The foolish virgins are not filled with the Spirit though they have it.

12:3 I was in the Spirit, when the Lord let me know now is the time. I should go and set up my mother in laws stone benches. I cleaned the stone legs and brought them to her garden. cleaned the platform and set the stone legs up. the very heavy stone seats in order to get under them I put a rusty pot it crunched a little but was okay. under one stone was a female rattlesnake under ground. the rattle was seen. she gave birth to a baby which I stepped on. I must carry these stones as a burden. place them on the legs. I completed the job and was victorious.

Now I was to know the interpretation. 12:3 Jerome says --it was a custom in Palestine to test the strength of youths by their lifting a massive stone. the phrase, burden themselves relates to the custom. Matt.21:44 read this passage about the stones. The Jews fell on this stone and were broken. the stone shall fall on antiChrist and nations who burden themselves with it, The jews have gone through it now nations will. remember Hitler? I try to pray peace of Jerusalem every

day.

Dan.2:35 tells us the nations who have progressed through the ages, symbolized by the image will be ground to powder by this stone which shall cover the whole earth. note in I Pet.2:5 the body is made up of living stones. They are in the whole earth. Jesus the stone who is the head is in all of them.

Ps.68:13-18 v.13 the pot was in a low place almost crushed but when the stone was removed because of restoration the pot was placed on the table. the serpent was under the other stone because she shall be totally destroyed for coming against Israel. All that is birthed of her will have no effect on Israel but instead Jesus will set up his Millenial kingdom. The picture will be she will be like a dove that is ascending and she will look like silver and gold on her wings. Jerusalem when the sun shines on her looks like shining gold and silver. there will be dove--peace for God's people. comfort in knowing that after we see these disturbing things we will know what is on the horizon. Our Jesus.

We are more than conquerors. We are not in the pots we are seated with Jesus in the heavenlies. We overcome by the blood of the lamb and the word of our testimony. Ps.68:11 when we put self in death we are alive by the Spirit to do this publishing of the word. 2Tim. 1:8 we are in this trap and prisoners for Christ so we can publish his word for others. That's why he placed me here. May you find comfort in these things love to.

I have been hearing about a war prophesied in Psalms 83 that is suppose to be separate from the war of Ezk. 38-39 (Gog and Magog.)

"For, lo, thine enemies make a tumult: and they that hate thee have lifted up the head. They have taken crafty counsel against thy people, and consulted against thy hidden ones. They have said, Come, and let us cut them off from being a nation: that the name of Israel may be no more in remembrance ." Psalms 83:2-4.

This does sound like what Iran is declaring right now. They want "Israel to be wiped off of the

map."

Any comments about these two wars?

I don't understand your view of the church within this statement. On the Rev. Outline, posted in the NT. Theo. section, it states that Babylon is the world. Rev. Outline, Tape #7, Section I, A, 11, e.

I know that the church has been lulled to sleep by embracing paganism in a lot of ways, but that does not make them the world; rejecting Jesus. Would you clarify this for me?

Now this will make you happy! It says in Rev. that. Overcomers can eat of manna, white stone, new name. Rev. Outline, Tape#2, Section I, E, #4. I just thought I would throw that into the mix with your talking about stones in scripture.

glad to clarify for you. The nations or world are the Babylon. There are 2 woman spiritually speaking. As a allegory I use Hosea. God had him marry a harlot. she was a type for Israel to see. The sence there is that Israel played the harlot and had other lovers. It was a prophets way of showing Israel left their God to love another, they loved other gods. Inside of Babylon on it's highest scale is a false religious system. That is the harlot. She is mystical because she is united as one even though she is made up of many beliefs. she by the way loves Babylon because she loves the world and it's darkness. she speaks well of those who are of the world. Therefore she will partake of it's soon coming judgements. When I use the word joined I really mean a part of. There are going to be many who join the harlot when antiChrist comes because he is a religious figure who says he is the long awaited Messiah.

the woman in the Rev.12 is the church. they call her the mother. she will bring forth a manchild. If we said I am a overcomer and we were overcoming we would be the manchild. the woman in order to be the church, yet brought to safety for awhile, to be prepared is evidence of a certain standard of righteousness but not enough to go up with the overcomers. If we are called to come out of her-- the dead system, they don't measure up to any standard of righteousness. Many think because they say they have faith, when it is tested it will show there is a lack of oil in their lamps. Only God can unhardnen their hearts. He has to cause them to lose the love of this world and perhaps the things in it.

Thanks for all your kindnesses. The Lord has been revealing to me a week ago the concepts of maintenance of our life. FA gave us a tremendous foundation. The Lord reveals that they brought us to about half way to our Christian walk. We have a good stretch to cover yet. But by God's grace he will send forth his hidden ones when the church embraces the first half.

Thanks for your clarification. Your explanation did help me see some things more clearly. As someone stated previously, Revelation is very hard to grasp at times. I love studying Revelation myself.

I agree. I believe the first half of the movement at FA was an awesome boot camp for all of us. While we were there, we had a well of water that overflowed on a continuous basis. All we had to do was take our cup and dip it into the well and drink, drink, drink. It is not like that now.

The second phase is taking place now. We are finding out what stuck and what we need to tune up in our walk. We are now being given the opportunity of walking in everything we were taught without the well we had four times a week. I am learning how to embrace many things we were taught all over again. In me, I believe a quick work is being accomplished, compared to the process I experienced at FA.

Where I live, some are choosing to embrace the FA message again instead of picking and choosing or are choosing to pick themselves up after being discouraged for so many years.

At OO, I see some who have remained tried and true to the message. Others are in different places and are working many things out in regard to what we have been taught.

Most importantly, I feel we are all learning to allow these differences in each other without being judgmental or condemning towards our brothers and sisters. I don't take this work being here done lightly. How we needed to be more humble at FA and allow each other to grow at their own pace with all the knowledge we were given. We were given a crash course of years of seminary study from Dr. Freeman.

Bro. Dave, your puffer fish example was very good. FA had both kinds. We are now figuring out the differences in ourselves.

And, yes, more love and compassion was needed as well. That was then, this is now. We are learning love and compassion in the second half as well. Without love, we are a clanging symbol of useless knowledge. The two must go hand in hand.

A few have chosen to walk away and reject everything, and for those, we continue to pray and believe.

I think things are racing at break neck speed, in regard to events transpiring in prophecy and what

we were told was going to happen.

This site is a valuable means to accomplish what He would want to do in us in the second phase. It is a place to come and allow body ministry to operate in all of us; building each other up in the Word.

That is my take on it. I am sure there is so much more others could say about all of this. I hope this encouraged some of you.

Thanks sister, GWB we have the same mind. This evening before reading your blessing Sun. Jan. 10th you wrote about a harmony between bro. and sis. ironing out their differences. The word of the Lord came to me tonight and so I write. If my people will love their neighbor, and their brethren and be humble I will hear their prayers to drive out the h1n1 flu. Matt. 18:19. This has been done before in answer to prayer by a united people. This is about covenant. may his love begin even now in Jesus name. your servant bro David. thank you all. All that I write may his love be my motive and grace to you all at all times.

The Lord brings me back in the Spirit to the table in my mother in laws table. Amazing that she is my in law. He unfolded another revelation to me.

Now I was to see the stones that I carried the same but different. there were 3 seats I replaced. I had carried them and they were burdensom. As in the other revelation. Each now would have a name. one was civil law, one was ceremonial law. One was moral law. They were so heavy to carry, as my mother in law said. She said she didn't believe I carried them alone. That's how heavy they were. The pot was a broken cistern now. It had no bottom and could hold no water. The snake was gone.

The interpretation-- We cannot carry or keep the ten commandments or the law. They were

written on stone. The snake represents poison and death. Ps.68:13 The pots are a low place where they lie. Under the burden of weight.

Then I saw 20 feet from the table the rose bush. When this cold weather came all of this week, I covered the bush with a sheet. In the Spirit I saw not a sheet but a veil.

The law was a veil over the eyes of Israel so they could not see what Jesus was saying. That was Paul's rose bush. The thorn in the flesh. The sheet was held to this bush by many thorns. Paul wanted God to drive out those enemies, Joshua 23:13, 2Cor.12:9 The messenger of Satan was buffeting him by accusing him all the time that he was not obeying the law. He was a Pharisee of the Pharisees in the past, he was faced with the law at extreme obedience. Jesus tells him my grace is sufficient for thee. look at all the scriptures in 2 Cor. saying sufficiency of grace. He wanted Paul to learn and lean on grace and not the law. So he didn't say he would remove it Paul's way.

The law is a thorn in the flesh, seems there is a connection to the thorns on Jesus head on the cross. like the law --thorns nailed to the cross. Col. the handwriting of ordinances that was against us is nailed to his tree. Jesus fulfilled the law for us.

I praise God that Jesus delivered me from the keeping of the whole Mosaic law. Gal.3:10 says if we are under any part of the law we are under it's curse of death. I have been free from the law for many years. The burden is that even tithing is the law. If we keep the whole law all 3 parts we will be okay. but if we break any part being we are under it we are walking in death. That means you are not under grace.

The reason for this message from the Lord is that many ministers are not under grace. Even some from assemblies like FA who have sat under it's message are still under the ten commandments and tithing. 4 times in 2 Cor.chap.3 shows us clearly these things. Paul told Peter if you are under the law you have no part with me. Ask Jesus to give you a revelation like Peter got when he saw the great white sheet lowered with beasts saying kill and eat Acts 10:10-19 even read the whole chapter. let us all be free in Jesus grace, amen.

next time the third visit to the table.

In the above post, I was excited about what the Lord was showing me, it was strong meat but I didn't think, about that I just wanted to love the brethren thinking they would be excited with me and also see the genuine experience instead of just reading words.

I found that people are more interested in reading and getting knowledge instead of experience. I used to be that way when I would go to assemble with the body. I loved the Lord, but I would hear messages, some I would apply to my life, some I put on the shelf.

Sometimes we develop the habit of only hearing what pleases us, or feeds our outer man. I learned only when the Holy Spirit dealt with me about that.

Jesus was always rubbing the rulers of the temple (scribes,) the wrong way. They had Theology and doctrine and a supreme knowledge of the law. Jesus was telling them all of the law is of no value, He was considered a blasphemer, He was telling them that the temple was so unvaluable that he will destroy it and rebuild it in 3 days. You have to laugh (I'm not being legalistic here, you don't have to laugh) you have to laugh when you see their reaction thinking he is literally saying he will build the temple in 3 days. We accept without question what Jesus said because we have the rest of the story.

But what if one of us says I'm going to rebuild the temple in 3 days, remember I am only using that about the temple as a example. Please don't read just part of that and say Dave said he is going to rebuild the temple.

If people read the bible they will be convicted of the things about themselves when the bible touches on a sensitive area. You never will see them throw the bible in the garbage. They will possibly change or they will just go on in their ways. We can become callous in our minds if we don't obey the bible, darkness will fill every place that their is no light.

Here is a experience, I use no names. A brother very prominent in the assembly was very close to me. I loved that brother. we were inner circle friends. We served the Lord together. I was on my way to church one Sunday, and saw a big white Cadillac and it had big horns, Texas style on it. I said to myself that looks like boss hogs car. When I got to the Assembly and walked past the brother he said laughing, hay boss hogs. I had a check in my spirit.

Because I love that brother I just prayed for him, I didn't lose my love for him we continued to serve the Lord together. You see he is God's sheep and belongs to the Lord. David the king of Israel still loved Saul, even though he tried to kill him. He would not touch the Lord's anointed. Saul's response was David you are a better man than I am.

The Lord had me look up scriptures dealing with divisions this morning. They are Rom.16:17, 1Cor.1:10, 1Cor.3:3, 1 Cor.11:18. They bless me because they are the opposite of what God is teaching me about love. I hate division, but I love the understanding of what God is showing me about love.

He has been revealing to me many thingsa about the body of Christ. They are things I never

was taught. One for example is that as we are drawing near to the end, where Jesus could appear at any moment, we must be watchful because the teaching we do have is that, floods are going to come after the manchild. before it is born. If it is that close to the coming of the Lord we can see that something will be trying to devour us. To abort the coming forth just as it is about to be birthed.

That is why we must be watchful for divisions, that is the working within the church. Gal. 5:15 But if ye bite and devour one another, take heed that ye be not consumed one of another. We must be like watchmen on the walls (that is a spiritual thing, not climb up on literal walls,) Fighting the good fight of faith not one another. We must keep the enemy out and edify and build up each other. Love is not a word but a deed, it is what knits the body together. Majority of churches we know about do not even know what a body of Christ is. Matt.18:19.

analogy of the pufferfish--- do we react like pufferfish when something disturbs us. Do we then let off the poison of a pufferfish. Are those who are helping us become like thorns in our sides(enemies). When the minister brings forth a message that has our name and address on it. Do we treat it as though it were some sort of divination. (Not that that hasn't been done) or do we see it as the Holy Spirit speaking to our hearts to deliver us.

Are we like Jonah called to minister but are like pufferfish and let off our poison. Both God and the devil know why Jonah left his station. God sent a bigger fish than a pufferfish to get Jonah back,

Because we are called to be a royal priesthood, we are to send up a sweet smelling aroma of Christ to the Father. Even the sacrifices of righteousness. Jer.33:11 sacrifice of praise. Isa.61:3 praise delivers from all heaviness. praise delivers from that which disturbs us.

This is going to be a difficult thing for people to handle, but it is important to obey God. All of God's people are going to have to come to a place where they must decide on the basis of where they

seek out their own salvation with fear and trembling.

When we have the privilege to come and sit under a endtime word there are two things to be considered. one-- that the word shall be confirmed to us by the Spirit, or we cannot apply it by faith to our own lives. two-- The minister may not have a revelation or heard from God concerning what he is preaching or doing.

That by experience has one way or another been in our lives. we may not have light.

make this bold statement not to condemn, but make clear whether it is agreed upon or not this is what God has shown and this is a conviction that comes from God to hear. It is not based on love or anything else. The word here is given in love or kept to oneself. God requires us to be Bereans. We must seek God and we answer to him. If you disagree that is your privilege, but there will be no argument because, we are not to debate but be peacemakers.

Only the Holy Spirit can show some things that's where deception comes in. The devil takes hold of what is called grey areas. It is easy to discern black and white. In this last hour he will delve into grey areas. We need the Spirit's guidance. Just because someone has been blocked from the truth of a thing, if they are mistaken God will give forgiving grace. If they are rebellious they don't care to pray and seek God.

This will be the revelation here---. 1 Kings 8: There were many priests but we know that not every priest went in behind the veil. Saul had many of them slain when they were on David's side. But in the temple sacrifices were offered up and the smoke was so heavy you couldn't see. As you read you will note that there is a congregation of people seated and priests were in two places. Some behind the veil and some seated with the congregation.

when the room was full of smoke God's presence came, some call it shekinah glory. That's not what it's called in the Heb. When the priests in the veil came out the other priests were supposed to stand and join them. They couldn't see so they couldn't stand, but that meant they couldn't stand up to go and join the others. not that they were suppressed by the power of the presence.

The presence of God is not any thing other than a peace. If you know his presence you will know peace. We are in the presence and peace of God everyday when we are in his will. There was no falling under the power, it was just that they couldn't stand to perform duties as priests. They really could stand if they thought they wouldn't step on anybody. They would be better sitting then. The congregation was sitting and had no reason to stand.

As said, anyone can make a mistake, preachers are no exception. I declare unto you that the laying on of hands is the same as a scapegoat. When they laid hands on the scapegoat they sent him away with there point of contact being they laid hands on it first. It committed no sins, just like the lambs for offering, they committed no sins but were a symbol of a carrying away. The bread

and the cup are also symbols, but not the true blood and body which Catholics believe are.

So on the basis of scripture alone, we have evidence for the fact that there is no basis for anyone at any time falling under the power. This is saying no one for any reason not even call to ministry. It is false but here is what is revealed. It is a corruption of what God is really doing. Personally this man has been slain by the Spirit. The results are now the fruit of the cross. The death of the self life is to be slaying by the Spirit. Now the Lord says in the word stand fast in the faith. You must be slain put to death. Then you can stand and live the resurrection life of the Holy Spirit.

May we all not mock important truth by accident, God can forgive a repentant heart. God loves his people. may the Lord bring us to the measure of the stature of the fullness of Christ, and he be formed in us. What is falling under the power used for in the false churches today??? It is a visible form of deception to draw people in a church for numbers of people to be there. It is a beguiling of unstable souls.

The writer has seen many instances of people getting hurt, this was before the movement started getting headway. In one church a lady was dancing and fell under the power she fell banged her head and a stretcher was brought in to carry her out. In 1990 Dec. BH, apologised for the JDS heresy. At that time he was laying hands on people to slay them under the power. How does a heretic manifest great power??? He acknowledged he was a heretic. What power was he using????

God has given the fruit of the Spirit to reveal to others Jesus in us, also righteous living. One brother known long ago was having visions at church after slaying in the church, the next day he was slapping his wife silly, her confession and his saying yes I did that. God will do great things but they will change a life for the better. He gave up Israel in the wilderness, except for those age 20 and under. Even Moses didn't go to Canaan. There is no respect of persons with God. We must get it right, God bless.

To make something important here. What you are about to learn are some guidelines. You must be prayerful if you are going to respond to this message. Not all agree with our liberty. We feel free to do things that others may not agree.

So if you are free by the Holy Spirit and able to do this, then that is your liberty. So what is being related to you is you are not required to do the action which is presented to you unless the Holy Spirit allows you to . It will require a maturity, and stability, and discernment. To enter into a secret place.

It is important to say these things because we don't want to offend anyone with what is called our liberty. The thing that is presented is not required of you. If you are free you will see something that may have a little question about it.

Listen carefully to the next words. You are not sent to hear this message except for the reason of loving your President. Also to pray for him. the other things you hear must be discerned but not easy discarded. Hear is where the message is. youtube.com You will hear a message that will change your life forever. That is really Obama speaking.

the small video is -- Obama's message for one world government. may God's grace be with you and please pray for more time to allow God's people to be ready. God bless. as always don't look around at just any youtube video, only that which is clean for your spirit.

I first saw this video about a year ago, and while it was interesting and enlightening, I don't and didn't find anything about it life changing. Am I missing something, I try to be prayerful and thoughtful with most responses I make, especially when someone is saying that God is giving instructions through them. But I don't grasp the 'secret place' in regards to this. Does that mean I don't have the required maturity, stability, and discernment? Does everyone else understand and are just not commenting, or are you guys as confused as me?

I fully agree that we should pray for our president, no matter who he is, or whether or not we agree with his political positions. But we know that these things are coming upon the world in the last days...one world government, mark of the beast, false prophets and teachers, mass immorality, and much more. It shouldn't strike fear in our hearts,it should draw us into a closer relationship with God and increase our faith, knowing that all these things were prophesied thousands of years ago and are just the fulfillment of God's plan.

Maybe that's the 'secret place' that's referred to, as in Ps. 91. "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty." That's definitely where I want to be.....at all times, dwelling...and abiding.

I have to say I don't pay a lot of attention to the xian world talking about stuff like this as a general rule. One world gov is going to happen obviously. I try to keep up but don't really follow it.

I must confess James that I did not watch the videos so as to whether they would change my life forever its far to late for me.

I heard a message that did that a long time ago. That message being that Jesus Christ came down from heaven and died on the cross for me that I may have eternal life. Any message other then that pales in comparison.

I, personally am not concerned what the president or congress or the press or u tube videos has to say. Like you said this has been all predicted long ago and will come to pass. I belong to another kingdom so politics etc has no interest to me. Am I hiding my head in the sand? I don't think so.

Jesus said take no thought. He also said when all these things start happening LOOK UP for your redemption draweth near.

I think I will dwell on Phil 4:8. That's sufficient for me.

I know what you mean James. There hasn't been anything new in this arena since George HW Bush made his statement about the "new world order". Back then it caused quite a stir, but now when a leader mentions it, people just yawn. If you are a Christian and this stuff surprises you it only means you haven't got your ear to the ground and certainly are not recognizing the signs of the times.

appreciate others to express their opinions, whether right or wrong. It is not possible to tell everything like you can when talking to a person face to face.

Today while talking to two men about Jesus, we had a hour to talk about everything till we were finished.

The motive for showing this video is not to tell anything new, to those who do know. Perhaps there are a large number of people who read forums would like to know. Being there was a anointing on it can we question the Holy Spirit??

Perhaps if we question the Holy Spirit maybe we are not ready.

The disciples said well who then can be saved. Matt.19:25

It is wonderful for a Christian to make a bold confession of his salvation. Matt.10:22 was also written to Christians. If we can say by the grace of God I will make it. We are to pray Lord that I may be accounted worthy to escape the things that are coming on the earth.

Why would we have to pray that? If we are sure of our going to make it. It is with deep humility that to say I'm going to make it because knowing that without God's absolute help we won't. A example of this is the woman of Rev.12: She is brought into the place of protection. If she doesn't go there she will not make it.

She will be led by God to this place. She can stand out there in the flood and proclaim nothing can hurt me I got faith all she wants.

The bottom line, you can search the scriptures, we must be filled with all the fulness of God if we will be ready. We must confess with our faith that Jesus is the auther and finisher of our faith. But he must be the auther and finisher. We are not the auther and finisher.

One more thing we are required to make sure we are cleansed by the blood. We have been delivered from the eternal security unbalanced message. Jesus is coming back for a church without spot wrinkle or blemish.

It is with great desire that all will see that much more has been given us and so much more is required. On our side we should be standing in faith. Here is a question. Do we just confess we have God's full armour on?? Or do we think that the armour just acts upon it's own accord. Eph.6

So far we are praying in tongues everyday. We are fighting battles with the enemy to help others

out of the kingdom of darkness. We are casting out devils ,healing the sick, manifesting the gifts of the Spirit, etc. every day. We are interceding and getting results everyday. We are even doing exploits. every day.

The bottom line is we can't do it. We cannot have a tarrying life where we say that is not yet. We will wait on the Holy Spirit forever till he says you have buried your talent in the ground, so Jesus will give it to another who is using what they have.

If you are one of the most fortunate ones, who are ready to meet Jesus right now you have my utmost and sincere commendations. One thing for sure if your not interested in what is going on around you ,you will have nothing to pray or be concerned about. But then at least pray that those who are by the multitude around you may make it for you have tremendous faith.

When the government comes to your door and you say what do you want, they will say don't you know?? They will say didn't you hear the news last night that you are required to do such and such. You will say I wasn't interested and besides don't have a TV. They will say you are required to take the mark of the beast. Maybe you might say Lord I'm surprised I was supposed to hear your voice every day.

It will be easy for the devil to put in your mind that this is bolony and that the brother is off coarse.

So let me be clear, the statements in this message top to bottom are not written for any person in particular. Some of the things said are to challenge thinking, they do not apply neccessarily to your situation. I think that if we don't have anger we are overcomers. If that stirs in you good. You may need deliverance and that is a good thing.

I know some ---may--- react and say is he saying we have a devil. The Pharisees did that. Overcomers do not debate ,argue let off steam etc. If you feel the message is not appropriate you can remove the writer and it at any time, the world is waiting and groaning for the manifestation of the sons of God.

May we all be found to be peacemakers, and on the cross of self disinterest. The scripture in 1Pet.1:16 says be ye holy, it doesn't say you are holy. As we walk in holiness we can say we are holy. why then does it say be ye holy?? Because it is a ongoing continual action. Can we make our selves holy?? It says be ye holy. No we are transformed and renewed in our mind. Can we transform our minds daily?? No it says be ye transformed in your mind daily.

We must walk in the Holy Spirit daily to have the armour work the holiness applied, The renewal of the mind. reading the bible doesn't transform the mind, it only informs the mind, the Spirit is our teacher. Daily, If we aren't chastened, we cannot move on. We are sons we need fathers work daily. could sit here till tomorrow morning explaining everything meant by every statement. It is best to have the Holy Spirit explain the rest. That is since we are filled with the fulness. This

message is long and not full of explanation to all details, please read carefully. lots of genuine love to all.

Look bro, you've got it all wrong. Let me take a moment and speak to you directly. I am absolutely certain that you get a strange reaction from people wherever you go. You are shunned and probably are treated badly.

What is different here (I hope I speak for everyone) is that we accept you as a brother in the Lord. We want you to have the freedom to say what is on your heart even if we can't understand you at times. That doesn't mean we are going to accept everything you say--even if you CLAIM IT IS FROM THE HOLY SPIRIT. So if you have that expectation, I'll save you a lot of grief right now and tell you that it isn't going to happen.

On the other hand if you don't mind being treated like an equal around here--where we sometimes will consider what you say as a blessing and at other times let you know that you are waaay off base (that is the way I get treated too!<grin>)--then we will welcome you with open arms.

Where else are you going to get a loving correction, if not here among friends? So please come off of this high-horse-you-rode-in-on and receive

a few things from people who don't wish any ill toward you... I promise you that you will not be treated this well anywhere else... deal?

It doesn't do anyone any good to go around thinking that they are being rejected because of the spiritual dullness of the hearers. If you continue to travel that road, you are going to continue to experience the same sort of mis-treatment throughout the rest of your life and you will continue to deceive yourself into thinking it is persecution. You will also develop an attitude that blames those who reject you instead of examining other possibilities. You will get to the point that your heart will be hardened to the truth... a frightful thought. So how about it? Are you with us as an equal? Or against us as an enemy? The choice is truly yours to make and I pray you make the wise one.

Blessings,
William

Thanks William for the post. would hug you personally if could. take our friendship and brotherhood seriously and mean no offence. It is hard to put into words sometimes what we are trying to say in posts. I want to say this to give understanding. would not ever want to hurt anyones feelings, and very indignant against division. It doesn't take long for finding the opp. to try to clear any misunderstandings, I have everybodys best interest at heart.

All of the forum brethren are desired to have the best Jesus went to the cross to give them.

That last church I visited everything that was going on in there gave evidence that they don't even know what time it is. Many are caught up in religious things and don't know and think all is okay.

We are truly blessed to have a good foundation of teaching. May God bless and give you all peace.

Before starting this post would like to praise the Lord and give testimony. The Lord manifested a new laptop comp. Most excited because it is for ministry purposes.

This message is to bless all those who are seeking encouragement to recovery. Revival is a similar word but it is more like a call, whereas recovery is aimed at permanent renewal.

It only applies to those who need it. We shall take a look at the book of Ruth. So you can enjoy the message it will be good to read the 4 chapters of Ruth.

Things to spot in the reading. You will see that Naomi who has a husband and the two sons. Basically they are out of the will of God and so the three men die. Naomi blames God for their calamity and thinks she is being mistreated.

The tempt comes to feel that way when your out of the will of God. The flesh cries out pity me. My faith is not working and God seems so far away, heaven is like brass.

If it were not for predestination and grace and mercy we would despair. All God's people are predestined. Even when they are out of the will of God there is a secret plan for their recovery. That plan was planted right in front of Naomi. She seems like she is going to miss it when she tells Ruth to stay behind. Naomi had already responded to the will of God which was placed in her heart. She didn't know that, she just says It's not God's will to be here so I'll go back to the land we left.

We see that it is God's plan for her to go back later in the book, she thinks she is doing it. There is where initial recovery starts. God wants to recover us more than we want to. We want to complain my faith isn't working. I'm losing all my blessings to. For Naomi to be miserable was the greatest thing that ever happened to her. Why?? Because it moved her back to God's will.

God does something else. He gives her a convert. Ruth wants to have Naomi's God. Naomi was a frustrated person and God gives her a convert. Ruth was a example to Naomi. She was a help to Naomi for faith all through the book. That can help us to. We share Jesus with people and then they get saved, then as we share our faith with them. Usually the basics, it helps us to remember where we came from and we realise they may apply the thingsd we talk to them about. We also may see that they are going to do them while we really haven't been doing we just know things.

Ruth was getting all the blessings while Naomi was just bringing her to them. That's okay Naomi got her reward later.

Example-- one time while speaking to two older boys they prayed for Jesus to save them. Then

were invited to receive the baptism of the Holy Spirit. They spoke in tongues. Then both of them had a vision. They said that they saw me and appeared to them as Moses. and that they should listen to me in the things being told them. Now understanding the reason for the two visions was that it was a double portion. That was one of the seeds planted by God in early ministry. The call and that it will be a double portion ministry.

Actually the testimony when reading this post at it's start, God actually gave two blessings yesterday. The laptop and the other is hard to explain.

two answers to prayer in one day. By the way you can claim a double portion.

Delight yourself in the Lord and he shall give you the desires of your heart. You won't have to do anything to make it happen.

So we see Naomi recovered and in the will of God. It was not difficult, God takes the initiative. If he makes you feel like all is falling apart, respond to him and prayer. He is calling. He has set up the whole thing. Naomi just had to say I'm out of the will of God and go back to the things she knew were right. She heard that. She heard that there was a report that there was food in Bethlehem, so they left Moab.

What is our food?? the word. it is our bread. we return to it and it builds faith. Rom.10:17. We have in our possession the will of God. we believe it is true. All we have to do is come out of Moab (doubt and unbelief) and apply by faith the word and promises.

With faith comes the enable. we can't make it happen. our faith must be in Jesus not in our faith. faith is the bridge to Jesus. Look at James from this perspective---Jam.1:5 If any of you lacks---he should ask God who gives generously to all without finding fault. Remember it is the devil who condemns. We just get anything under the blood and receive his holiness that is imputed to us. Also we are righteous by faith. Seek first the kingdom and ---his---righteousness--.

We can worship in Spirit and truth , (not sing songs only) and enter his presence. then we have joy and receive the pleasures at his right hand forevermore. Just to make sure we remember, Naomi had the Godhead though it wasn't revealed like we know it. Jesus at that time was the Angel of the Lord. As far as manifestation goes. But in Ruth was the seed of Boaz which was the Christ Jesus.

It is God's will and plan for any need for recovery. We just respond to it by faith God will do the rest. Respond to it means faith activity as led by the Spirit.

I already know the answer to this question. This is for others. What does it mean to come to the measure of the stature of the fullness of Christ?? The 5-fold ministry has to know this and be walking in it to bring others into it. How can we teach it if we don't know it experientially?? HEF was walking in it.

The passage in 1Th.5: is very encouragement in this last hour. It has a lot more help for us to make it than we would see by quick reading.

1Th.5:3 it is interesting to note here that the use of travail upon a woman is used. It causes one to think about Rev. 12: and the manchild. They were expecting the Lord to come at any moment. That is the rapture of the manchild.

We can see now that it was not as close for them as it is us. We see the times are very close.

Some would say it only means wrath on the world. The rest of chap. 5: shows that only those who follow these principles will be excluded. The joy here is a way of escape. That is from being in the wrath or tribulation period.

v.4-8 contrast sleepers and darkness with awake and sober and light. v. faith worketh by love. the armour is a gift given to us. It only operates by the Holy Spirit.

v.11 we can edify each other.

v.13 we can appreciate God's ministers

v.14 we can warn the unruly- it might make them angry though.

comfort the weak in mind, support weak ones. and endure with all.

v.15 don't do evil to brethren or others outside salvation.

follow that which is good.

v.16-24 these are the righteous things we can do. Of coarse they are not optional. v.24 The Lord has committed himself to help us do these.

v.27 This is the key to the whole thing. the later part of the verse. let this ch.5 be read to the ---holy--- brethren. Those who live not in holiness have no use for this chapter. They are the children of disobedience. God's wrath is reserved for them. They say peace and safety. Another way to say that is OSAS. once saved always saved.

To help those who need it. We have a few verses.

Phil. 2:12 seek out your salvation with fear and trembling. my quote.

2 Cor. 7:1 part b. perfecting holiness in the fear of God.

Heb.12:14 without holiness shall not see the Lord.

Eph. 2:3 In the greek the word for conversation is anastrophe. It is not the same as our english. It means behavior ,conduct, life. Those without holiness are children of wrath. To show it includes myself also. Don't want anyone think am not fearing and trembling also.

1Pet.1:15 to show we are not completely holy it says here to be holy in all your life, behavior and

conduct.

Not saying there we are not holy, just saying that it is a ongoing process daily.

But as the picture here we see, God has made a way to escape the wrath of the tribulation period, and that is a rejoicing. He will help us be ready by each day we are in his presence. If you know you are in his presence you will know that you are holy. God bless my holy brethren.

In past experiences it was very good to use a trash compactor.

They are quite a machine. Yesterday for the first time got the priviledge of using a bailer machine.

While watching it operate the scripture came to mind, Lk.6:38 it is a good passage concerning giving. The bailer presses down a good measure is crushed together. It causes it all to shake together, when the bail comes out some drops off so as to be running over.

The same day our company put out all day for us over 30 extra large pizzas. Out of that I received pie for both brakes and lunch also. That saved spending money to eat that day. God uses people to meet our needs all the time. That is a good reason to love them also. Yes we have to learn to love those who don't do something for us also. May the Lord give me mercy for ever a time for taking things for granted.

The Lord is so worthy of thanks and praise for all his goodness. Do you want to do something to make the father's heart joyful-- say to him heavenly father, your son Jesus is a sweet smelling savor to you and to me.

read a statement today--- praise and thanks is a vigorous action of faith. What a wonderful time of praise today. God bless.

What a wonderful bible passage we have in Num. 23:19.

reading the passage by itself says a clear message to us of a secure understanding that God doesn't lie.

The background information to the verse is also very important.

It starts with Abraham. He receives a covenant promise that God is going to raise up a nation of holy people. The earnest of that was a miracle son.

He had to wait but Isaac came forth as manifested faith. Each time as a father would go on to glory, the blessing was placed on the son of election. The first born. Notice that for example with Jacob. Once Jacob got it there was not another for Esau.

All of that builds for us a clear picture that all of the blessing along with a seed was being passed down. The point in Heb. 11:18 In Isaac shall the seed be called. it continued as promised. In 11:39-40 we have it. What they had was the seed. For us we have the Jesus who was that seed. That is why it was said to Abraham all the nations shall be blessed in thy seed.

Therefore we see that the non-reversible promise has come to pass. God spoke and he made it good, the promise of blessing we now receive is Jesus the mighty son of God. Everyone knows that when you receive Jesus you are saying a short statement.

The statement I receive Jesus--it's really he receives us. but it is a bigger thing than that. We receive him and all he has promised. Most will say along with receiving Jesus they will go to heaven, or live for eternity.

It's like saying I receive a certain job. But that is really saying all that comes with that job. It's benefits and it's responsibility.

Gal.3:29 sums up the whole matter. The point for writing the way he did here is because the Jews were saying they are Abraham's seed. He wanted them to understand you have to be Christ's possession first. No wonder the blessing Balaam was talking about cannot be reversed. Even in Gal. 3:29 The seed Christ was carried all the way down to us. Also the blessing of Abraham has not failed. It has come to us.

The point is that God cannot lie and will make good what he has spoken. Gal.3 proves this. 2Cor. 1:20 all of the promises of God are yesa and amen. It cannot be reversed. halleluia.

Comparing Gen. 2:7 with Jn. 9:6

first we have the verses which show Jesus as creator.

Eph.3:9, Col.1:16, Rev.10:6 just a few here. We see both showing us the taking up of the dust of the ground. This was for a creating process. The spittle is something that comes out of the mouth. the very breath and spittle out of his wonderful mouth used as a creator.

Death and life are in the power of the tongue. It is also a tool to create life in others. Most important is the fact of the Holy Spirit operation through the mouth to give good words in season, even to the weary.

Amazing the dust which comprised my father and mother, was then bringing forth the dust a son. May all of this post cause a blessing as you meditate on Jn.9:6 to see how God is walking around in the earth in a human body. Yet he is the creator of all things. It was exciting today as he answered prayer for some wisdom, it came in a very powerful way.

A Spirit filled life will follow a predestinated course.

grace keeps on course when sometimes we make wrong decisions.

These 2 puzzle pieces came in 2 study sittings. The first came while in book of Amos read these passages to see a pattern.

ch.2:11 he raises up prophets and Nazerites.

ch.3:7 he reveals secrets

ch. 4:13 he tells his thought

ch. 9:14-15 he will cause to restore and bring his people back to their own land.

In the Amos study it is showing that God will do this. Then finally what he will do. A lot of it is mixed in with judgement for Israel's unfaithfulness. So we see that the revelatory part is sort of hidden in there.

The other study is in Genesis. This revolves around Abraham

7 things to notice

1. Abraham goes down into Egypt
2. a famine in the land
3. plagues that cause Pharaoh to let them go.
4. a Exodus with all they had

5. given much spoil from Egypt
6. heading for the land of promise
7. Abraham the prophet with great seed.

so far we see a predestined acting out of the coming revelation. This is similar to what happens to the body of believers in preparing them before they come to hear the word. They have things happen in their lives so the word is confirmed. Also they are put together through experiences so as to be in one accord with what God wants to say to the body when they come together.

It takes a varied amount of discernment spiritually to find how each member fits in that unique process.

A untrained 5-fold is usually expecting people to just bring forth a utterance so some word may confirm their message. That can be a open door for wrong utterances to come forth.

In Gen. 15:13 God then reveals the future to Abraham. in v.18 he is shown the land will be given to his seed.

it is evident he is not given it all at once because in ch. 17:20 now he is shown that 12 princes shall come out of the people . They are the heads of the 12 tribes of Israel.

We know that Amos came a long time after Abraham, and God was revealing secrets already. Lets see the point in all this.

We are receiving a secret now. I am the one who is telling it.

1. The denominational system is not doing this, though this is God's perfect plan for the Assembling of his people.
2. without a spiritual life the flesh cannot bring this forth.
3. the secret-- God will do this work of preparation in the overcomers even if for a time they are seperated from a true assembly of believers.
4. For those who continue despite the opposition, God will continue to show awesomew wonderful things. Our personal communion with God is based on the fact that in Heb. 4 we can continually come to the throne of grace to a living God. This relationship of love must grow more and more, as we are being proven to be given over to true commitment and faithfulness in any circumstantial realm of trial and tribulation.

Those tests are for our faith and benefit. We don't serve God for what we can get from him but for who he is. The bottom line is we will be fellow shipping with him for eternity, and praising him. we are just starting now. all we do on earth now is a very small scale to what we will do later.

Amos and Abraham are a real picture of how God has expired his word and given us inspiration. The word has truly come from God's mouth and the experiences of men are proofs of that.

In Isa. 42:3 it tells of the bruised reed and smoking flax.

After looking up this passage, the commentater says a tremendous thing. He tells us when a flax smokes it is a terrible thing to breathe. You can hardly see. The idea there is that when brought to a flame it doesn't smoke and becomes pleasant.

The bruised reed is not a singer (praiser). After investigating this idea, when going to you tube, going there allows for visualisation of things that you may need to see. For example the puffer fish is seen there.

The video shows the sounds of reeds. That would be the title to write--- Hear the sound of reeds. The sounds are equal to singing. When many sing, they are in one mind and one accord. Yes it is convincing that they sing.

result-- If we are in the position of a bruised reed, we can ask for grace. The difference for us is we can be bruised and still sing God's praises. Then he will restore us and we will sing more and more beautifully. The Lord is the healer of the child of God who is hurting. He is a restorer of those who get lost from the way. We have the priviledge to worship in Spirit and in truth. May his grace be on all his people abundantly.

My prayer is that he will preserve his people from being made busy from being involved in kingdom activities. In Jesus name.

Feeding our inner man and miracles.

For us who have sat under a end-time word, we can look back at how we were taught some wonderful things which were exciting to our inner man.

As we got the messages we wanted to apply them so we would grow in that area. For example when we heard the message of positive confession, we started watching our speech. In 2Cor. 5:17 we see the desire of the Lord that we become a new creature old things are passed away and behold all things become new.

There is good news for you. You may find it difficult to keep active some things taught you because they are quickened to you by the Holy Spirit when you first heard them. Remember the Lord will always cause the things of the Spirit to be fresh in you as you enter your interest in them.

If for example you have been healthy or prosperous for awhile and then by trials you seem to be spiritually dry, then you are able to rekindle these things. The Holy Spirit will manifest himself through the depths of a wisdom that will look like a miracle to you. By faith the word which seems lifeless at times can come alive to you.

The scriptures about healing for example seem lifeless. You may say- Isa. 53 is healing in the atonement. Your mind says I know that passage so well. But in all honesty it just doesn't click. We all go through some of these things being we are so familiar with them. What you didn't know is what you are going through is the test of obedience. We just don't do things unless we like to. We must like to do them even though they may not excite us.

Here is help for you. God is always in the new creature issue. More interested in what we are than what we do. It is of the most important necessity to keep the light aflame. We cannot help ourselves and the Holy Spirit can only give life.

First we must pray for the excitement of old teachings. Then get in the word---old statement there--get in the word. But in a different way this time. To bring that teaching to life we can seek for a fresh view of the same truth. Isa. 53 for example is a good healing passage. There are many more passages for healing. Through study there are many things seen that others know nothing about.

Those fresh views of old things rekindle a desire for more to feed that inner man. You also may want to read some old books stored away, then get in there and (disect) them look up some things as they move you God brings this to life in a fresh way.

check this out.

Positive confession checklist-- don't say I can't because I can do all things through Christ who strengthens me. Phil. 4:13

If you then go to Isa. 40:31 They that wait-- wait is with expectation of hope--Heb. 11:1 faith is the substance of thing hoped for. Ps. 42:5 hope thou in God. back to Isa. 40:31 shall renew their strength. You see it? Your locking into the word strength.

Now you can choose to do a word study on strength, looking up passages and reading commentaries on that word. Meanwhile you want the Lord to manifest that strength in you. Last night even before knowing that this was the post to make, I was becoming tired at work. (my miracle) a anointing came on that caused me to feel like it was just starting time at work. You would have thought you were taking a sleep nap.

As we seek God knows before hand that we are going in a direction. He predestinates circumstances to go along with what we are reading in the word. either before or after we read it. That is also a way that we can hear his voice--- because we must be filled with light to receive light.

Get your mind filled with the word like a car does gas and God will take you places. Also remember that positive words without activity of the Holy Spirit are just words. That can open doors to deception.

we should not confess lack---fear-- doubt--weakness--devil's power--defeat--lack of wisdom--sickness--worries--condemnation. The promises of God have delivered from all of these--don't look at circumstances but quote the promise. to be continued.

two important points to clarify our blessing of the word of God.

1. basically a covenant is based upon a agreement. In this case God and man. The word testament is the same word as covenant. That helps us to see that covenant (testament is the word).

When Jesus offered the sacrifice of his blood, he was offering his life. Therefore the covenant was made on his merits and not ours. That offering was sufficient to show us that we were obligated to do anything required to receive the benefits of that covenant.

*** That covenant was based on agreement***

Do you see that--- we agree with that covenant--- which is the word of God. That is why when we speak that word--confess it-- we are agreeing with it. If we don't agree with it we certainly won't speak it.

Remember when Abraham offered Isaac on the alter it was said of him , he obeyed God and it was counted to him as righteousness. That was his faith.

In Jer. 31:31-33 Jer. speaks of a new covenant to come. It is described as I will put my laws in their hearts.

Here is a good description from the encyclopedia that is good.

When the Spirit possesses the heart, the law (law of the Spirit) becomes a dominating principle and so true obedience is secured. These laws are not given in a form of external rules but principles from the heart. my these principles of obedience which are given to benefit us with the life of faith.

Rom. 8:2 the law of the Spirit of life. life benefits us. The laws of the Spirit are given us through the word. Our faith in that word will be expressed by agreement. Our hearts----will agree. The Holy Spirit will help us to come in agreement to those words.

When we therefore speak those words we are reminding God of his covenant to us which he has purchased with his life's blood.

Heb. 13:20-21 read this about the covenant.

next time (part 2) The Lord has given a revelation concerning all of this. For now remember that when you confess the word of God with your mouth you are saying *****Father God in Jesus name these are the words of your covenant and I agree with them by faith.

Gen. 49:23-24 This is a spiritual statement that is directed to Joseph. The archers in his life were the ones who put him through the trials. Very important to notice that his bow and strength are of a spiritual nature.

When you tie this in with Eph. 6:11-18 put on the armor of God, you see how it is the Lord's word that gives us victory over our enemies. Every word of God is filled with life. Our shield of faith is hope in the Lord to deliver us.

Perhaps you are encompassed about with many who hate or dislike you. In this holiday season above all else. While your waiting for God to manifest your answers to prayer, your enemies seem to be hounding you with all their goods. Seems like something is telling you--you see if you'll bow down to Baal you can have this to.

Remember Ps. 84:11 Our father God will with hold no good thing from us as we walk upright--faithfully. If we wait his blessing is on it. Deut. 8:18 says in my words-- stay in covenant with God and he will give you the power to receive anything that you need. Even right now if you mix faith with what you are reading the anointing is there for you to receive in Jesus name. Hold fast.

Joseph's story is so encouraging because in seeing the spiritual application, his bumpy ride ended

in a victory that saved a nation- in the future 3 and a 1/2 million souls left Egypt. Notice their needs got met. When they left Egypt they took great spoil with them.

The issue is how big is God?? He told Abraham in the covenant that there would be a seed more than the stars can be counted.

We know today that there are over trillions of stars.

There was a revelation that the first row in heaven by the father's throne was 144,000 rooms in the mansion. Then below the first row was a 144,000 rows. This is interesting and isn't my vision. It is interesting though.

It is the armor of God that gives us strength, it is not possible to put in words what was revealed to me, but it is all God's protective care. We are just yielded. All things are working together for good to those---who love God. The fire arrows are quenched by our faith-- faith doesn't see though God is in action.

We would have to laugh if we heard that God sleeps. Sometimes he seems to be.

In Job 8:5-6 my comments--- through a upright heart we can pray, then it will be like God waking up to answer. That would bring prosperity.

Ps, 35:23 This Psalm has it also-- stir up thyself and awake to my judgement.

Ps. 7:6 also.

Isa. 51:9 Here he is calling for the Lord to manifest his strength like he has done in the past. God to awaken and slay the dragon. love that song in verse v.11

The disciples were in the boat Mk. 4:38 ??? doesn't God care? If he didn't we perrish. The Lord did arise and said peace be still to the storm. Even now we can say peace be still.

1Cor. 15:34 as in Job 8:5-6 in v.6 we see there as in 1Cor. that if we are pure and righteous, and upright, God will awake for us. We are really the ones who must awaken 1Cor. 15:34

now look at the plan of God Job 8:7 that is what happened in Job 42:10 note that there is prayer and the double portion given at his latter end.

On God's side he doesn't want his people to be discouraged. The blood of Jesus has put us in the

position to be in right standing with God. So all we have to do is walk upright. This is a tremendous privilege. God is awake and he hears our praise. Certainly he hears our prayers to. amen.

Woke up at 2:30 AM this morning. I saw God.

Where that was is in Deut.33: When reading that in the bible as well as reference materials what a beautiful hidden picture of God.

God is a whole lot bigger than we ever could know but the Jews of the O.T. could picture him in words. What is significant is that Deut. is the book that Moses wrote. He was the one who said Lord show me thy glory. Here in ch. 33: we have a great description of God from man's view.

Deut. 33:3 we see him as holding the saints in his hand. Also sitting at his feet to receive his word.

33:12 Here it is said one was by his side. Also the shoulders were where fathers carried their sons it was really the back including the shoulders.

33:27 he also carries one in his arms. the word everlasting here gives evidence for it being a spiritual statement. In him we have everlasting life.

v.29 He is a sword and shield. This points us to the fact that he is a God of great power. (omnipotent)

As we have seen this tremendous outer picture, we have something extra special in the N.T.

The first evidence of this is in Rom. 8:1 there is now therefore no condemnation to those who are---(in Christ)

I used to view this that somehow I was literally inside of him. It is good to know that we are in him concerning his life. Jn. 15:1-7 shows us that (we are not really branches on a vine) but to understand the parable) we bear fruit in his life. That is because we abide in his life. It appears that the fruit must be of him. Matt. 7:22-23 shows us that we can do good works but not of him.

In Jn. 15: we see a fruitless branch thrown in the fire and in Matt. 7 we see Jesus saying I never knew you. That really gives good evidence that they were saints but not bearing fruit and so cast away. Clearly lost salvation.

What a blessing to know we are in his everlasting arms, that he carries us, that we are at his side, sitting at his feet and protected by his being our shield and sword. amen.

Am thankful for the free gift of the baptism of the Holy Spirit so he can be inside me.

The Babel of Gen. and the coming to Canaan have a similarity in principle.

These 2 things came to mind. I Don't think about Babel much. That is the tower of Babel.
The similarity is very intense.

1. Babel-- why did God scatter them?

a. They would settle down in one place. God's will is a priority when it comes to making choices. Here we see that if they stayed in one place they wouldn't fulfill his plan. His plan was that they must scatter throughout the earth and inhabit it. Does seem odd if a bunch of people are all gathered in one spot and there is so much earth to go around.

2. Canaan-- Why some wouldn't go to Canaan.

a. because of a negative report.

b. what was that report?

there are giants in the land. we are like grasshoppers to them.

c. What could be done to get the people to fight?

For the most part other tribes would join them and help.

3. What is the similarity?

a. God had plans --(for their benefit.)--

b. God gets glory for all things and yet all is for the benefit of mankind.

c. Man has a tendency to see benefits and not the glory of God. He doesn't always realise, that it is a testimony to the world when he or she receives any manifestation of faith.

4. Why wouldn't anyone want Canaan?

Canaan had a two-fold application.

a. most important was that the world would look at Canaan and the people who believed in God. They would say like they did in Jericho, told by Rahab also, but in my words--- The whole world is afraid of your God for he is defeating all peoples surrounding that area called Canaan, because he wants to possess it for a people who glorify him and have a living God who is powerful and does wonderful things for them. Could add more here.

b. God wanted a people who would be a testimony. They could pray and God would hear them and give them their hearts desire. While Egypt had no rains and used aquaducts, God would send a plentiful rain on Canaan and there would be abundant blessing. Aside ---remember the queen of Sheba? a picture--- she just stood in amazement and it said of her she had no more spirit in her. Egypt was extremely wealthy and along comes a man who has a God who causes him to exceed that. That's Solomon.

5. What may we learn?

- a. That God is glorified when we receive our blessings.
- b. That the negative report is a shadow of unbelief, which defiles our overcomer garments.
- c. God uses different means to move his people toward his plans. in Babel he did it himself, in Canaan other tribes reached out to help weaker tribes to go in and possess their inheritance.
- d. Any admonition to go in and possess the promises of God can have a basis for being for the benefit of the hearer.
- e. add the above to this and you have the testimony of the Assembly they also benefit from the testimony that a person went to God and not man for help.
- f. If to many reports get out there that are negative the world will boo and hiss saying God is not true and doesn't do what he says and the people are a bunch of people who confess and not possess.

My hopes is that a clear understanding is left here that we have the priviledge to glorify our God and he is faithful. Also that our hearts desire is the world will come to him and be saved plus know he is more than a religion like any other but that he is a living wonderful God. While the world is being blinded in their minds to the truth of Jesus Christ it is most important that all the saints work together to not give him any bait. One being, faith doesn't work.

Let it go on record, faith not only works, but it is impossible for God to lie and fail a believing heart. May I ever be strengthened daily by his grace and the intercessory prayers of Jesus to be a testimony to a living faithful Jesus.

add this to start-- haven't had a pill for almost 40 years. Have been through some trials, even the death bed, cut in half, and poisoned. but God delivered. Would have drove off the cliff when hydroplaning on ice. God marvelously stopped the vehicle in Jesus name. A certain woman and her husband , when hearing that , when I shouted the name of Jesus, and the the truck stopped the woman said --" that's all you had time to do".

This post would never end if told all Jesus has done past years. Hope you see God glorified and not me in the testimony. God bless all.

This tremendous illumination came to my inner man this morning.

It should answer a lot of questions to those in difficulty concerning what direction they are going in.

We all need direction. The steps of the righteous are ordered of the Lord. Ps. 37:23 and in Ps. 27:11 lead me in a plain path.

Those bible study passages for today are the ones that the illumination deals with. It is so exciting because the plain path is what we all want.

Everything is second best to the truth that God wants a relationship with us. The supply of needs is a small thing. God is working in us by the assistance of the Holy Spirit to apply our lives in every thing to the new life. We were born in the world and are therefore of the world's ideas and concepts.

New man all things have passed away is our learning standard. As you continue in the word you will see that there is a lot to learn about those new life principles. How we talk, eat ,drink, work etc. are all addressed. The real issue is discipline.

It may be hard to believe, but God is using every minute of your life to bring about fellowship with him. That is why it is said seek first the kingdom. God is that kingdom. Nothing but frustration will follow any other coarse. There is the possibility of few overcomers because the path is narrow. God will jealously have you like you must have him. no cheating in a bride husband relationship.

Idols and self must go. It must get out of the head and get in the heart. If we are found praising God in trials, we are making progress from the heart. God doesn't miss anything and that puts fear of God in me the writer. More surrender Lord is I know what your saying to me. I must come down off the pedestal and you reign in glory.

Many don't realise that the preacher is telling the truth and that he must measure up to it to.

So what can we do?

1. remember that everything in your life if you are a submitted believer is pointing you towards fellowship and relationship with God.
2. You have no higher goal, Jesus is the prize to be won.
3. He alone can help you do it.
4. He is the greatest object out of the Christian life to please and obtain.
5. the rewards are tremendous and out of this world.
6. Even in suffering he is there to love ,comfort and encourage you. (tears in eyes).----- (now the Holy Spirit is praying through me.) back again--- My people do you love me for me alone? I have already given my promises so you won't feel you will lack anything. The table is ready and my continual feast is prepared. To fill you with fatness of the Spirit filled life to bring you to my fullness. My fullness can not include other things. It must be through much fellowship and time sitting at my feet. I desire to rule and reign on your behalf. Victory is always mine, desire is to always give that to you. Always cherish and obey my word. It is unchangable and steadfast.
7. pray is only part---we must learn to acknowledge his presence. He is brought into everything we get into. fellowship includes a awesome thing, it is seeing God work in providence apart from what we ask him to do as he is so involved in our lives with the imputing of his life.

example-- The husband comes home with candy or flowers. She didn't ask him to. He spontaneously does this for her. God does these things also. I am not just talking about getting things here though. It includes things that are sometimes hard to put in words. They are called spiritual blessings. Just one example--he can give you a spiritual gift. These come from him we don't do the thing. We are just the channel in which that gift flows.

By the time this day ends you can make the commitment to say father, I just want you, the benefits are just extra. live in me and through me for your glory. I receive this now by faith in Jesus name.

This scripture was so powerful in my heart this morning.

Ezekiel 12:25 and 28 I would like for you to read the passages first, my comment is that there is such a intense feeling as you read the stability of God speaking here. The only thing left to do is believe God means what he says.

After reading the word in Ezek., a wonderful understanding about relationship with God appeared before me. Before that would like to mention other scriptures you may be familiar with.

Isa. 55:11 God's word doesn't return void but accomplishes that which he pleases.

Lk. 21:33 heaven and earth may pass away but the word of God shall not pass away. see Dan. 9:12. also Jer.1:12

Now here is the special understanding. Ps. 1:2 see how the person is called upon to meditate on the word day and night?? Now look at 1Ki. 8:29 Solomon requests that God watches over the temple and the prayers made towards it where it is known that God dwells there. Notice he says watch over it day and night.

There you have it. Man is to stay in the word day and night and God is asked to watch for the prayers day and night. Prayers are the words of people. The word is the words of God. It will take the help of the Holy Spirit to be able to put this all together.

To help you see it. God is revealing here a mutual agreement. It is a tremendous union. You can't help it. You have to agree that through the meditating the word prayer will come also. It's a day and night thing. God and you as partners, focusing in on something day and night. Him the word he gave so you can think on it. You praying and him watching for it faithfully so he can answer your prayers. So shall you prosper and all the other good things --- read this ---- Ps. 1:3 might add he watches over us while we sleep. like that song praise him, praise him, praise him in the morning, praise him in the noon time , praise him praise him, praise him when the sun goes down.

The subject of joy.

In 2Sam. 6:14 when the ark was returned, David came down the street dancing with joy.----oh my is that proper??? Shouldn't we have songs and things that sound like a funeral??? No it wasn't a casket, it was God's dwelling place.

Where is God now??? Just like the ark it is within us by the Holy Spirit.

In Neh. 8:10 Most just read part of this verse. Look at this---They will meet the needs of the poor and that will cause them to also come (on holy day) no one will be sorry or sad, they will come to holy day with joy. strength and praise are the same thing.

In Ps. 42:4 this verse confirms that---They go to house of the Lord on holy day and they praise with joy. He longed for that.

Just what is this joy??? In simple words---God likes it because it expresses that God has ,can, or will do something. The will do is a faith thing. has done is a thanksgiving for what he did for us in the past. The can do is trust in him. So joy just about wraps it all up. Of course without God in a church no joy.

Joy in the ultimate expression is shouting. Halleluia is the most popular word shouted. When Israel shouted in praise-- the walls fell down flat. That meant the conquering of enemies who they couldn't conquer. Our praise ---releases faith which moves every mountain.

Just think no mountains --equal no need to conquer. Mountains sometimes encourage us to praise for God to move them.

Recently the Lord gave a song. Last night he encouraged me to sing it. Knew it was him doing that. Then today read this ---in the garden of hope, grow the laurels of future victory--- the roses of coming joy, the lilies of approaching peace. The song is about flowers and fragrances and includes Jesus the rose of sharon. Now I know what he was impressing.

All of this is that fellowship with God that is very personal. The song is his and mine and that is prophetic---then he confirms it with a kiss of his love--what I had read today. reread the paragraph above this one. God bless and may he bring joy in the hearts of his people today. amen.
