In Heb. 11:8,9, 11 Sarah. we have Abraham in the faith hall of fame. We hear about him from time to time. Mostly of his success with birth of Isaac. This post is to encourage you that Abraham had trials to. He was victorious through God his friend.

1. Gen. 12:10 In a grievous famine.
2. 12:12 and 19 Egypt wants to take Sarah from him.
3. 13:7 the strife between the herdsmen.
4. 14:14 His bro. becomes captive.
5. 16:1-16 Hagar trouble.
6. 21:14 Sending Hagar away.
7. 20:2 Sarah taken at Gerar.
8. 26:1 another famine
9. 22:1-22 to offer up Isaac.

These 9 were info. I found and then added my message about Abraham and how he had faith and victory through his trials. I will have my students read all 9 and then look for themselves how God gave him victory. write that down beside them (the 9) for future reference. Looking forward to you getting a A on the exam---just kidding--God bless.
