Hi..I was at FA from 1975-1981. I attended Dave and Joyace Miller's group in celina, Ohio. Jerry Ervin came once a week to teach our group. I found this sight quite by accident, having put away all the pain of FA years ago. But I would dearly love to find out what happened to Dede Jansen. She was originally from coldwater, Ohio and married Dave and Joyace's son Steve Miller. I had some years ago that their first daughter died and they were put on trial(Dede & steve). I never heard anything more and would love to be in contact with them if anyone can give me a clue as to where to find them. Dede and I were very close friends, and after I left FA, we lost contact.
Blessings,
Daughter of Zion
