I just finished another good book called, "In His Presence".

It was written by a military Chaplin about one of the first platoons of men who went into Iraq.

Very amazing story how God protected these men in the heat of battle.

In one example, a missile was fired directly at this one truck, it went inside the vehicle and exploded into a ball of fire. Everyone was protected and no harm came to any of the men in the vehicle.

Anyway it was a very inspiring story of God's protection. Would highly recommend it.

This morning my mother went to be with the Lord! I figured this was an excellent place to tell you all this as she is now in the
presence of Jesus. I wasn't positive she was manifested saved, thought maybe she was, but yesterday she kept saying "I want to go home, I want to go home." I told her you are home and the next home you go to will be heaven. So I asked her if she would like to go there and she said yes. I said you need to ask Jesus into your heart and ask for forgiveness. My mother was almost deaf so she kept saying, Steven come into my heart. So I wrote down, Jesus come into my heart, and she asked Him to come.
Within 24 hours she was with Jesus. The death was extremely peaceful, for which I give thanks. God has been getting things in place for this day to come, so please rejoice with me that my mother is with Jesus now, no more pain or suffering. God's grace and peace is such a wonderful thing. I will miss her for sure, but am so eternally grateful for God's promise of saving our families. I will be with her again someday, and we can praise God for all eternity.

Yes, God's Grace and Peace is a wonderful thing to experience...

May you rest in His Love, sister.

Sue

Very sad also to hear of your Mother's passing but also glad to know she's with the Lord. Now she has a glorified body that will not be subject to pain. Youth is restored and the best part is to see Jesus face to face for all eternity.
