---

Anyone,

I am planning to play and sing the Carl Seitz song, "Sweet Water of the Word" at our church in the near future. I only know of two verses. Does anyone know if there were more? I know that Hombre mentioned one of the verses over on Factnet. If there was another verse that I am missing, please let me know.

Carl Seitz was a very gifted singer/songwriter. He used to play and sing with Ray Boltz and my late brother-in-law, Chris Joyner. Even though I was just a kid, his songs and his voice still ring in my ears.

Thanks.

Duncan
