When someone rules the world, under tyranny, he will be antichrist. it is a communist agenda. Whether socialism, communism, or any other dominate persons. The rule is to keep all good out and rule the people with no regard or care for the people. Slavery will end with 666. comply or die.

No fear for the faithful Christians. Jesus Christ rules. He owns it all and that is what Satan hates. It is our own fault if we forget to give God glory and receive his blessings so our joy be full. The physical tabernacle may lay down but the eternal gift of life will forever stand. Guess that is why we stand on the promise of the covenant, eternal life.

I can see no joy in not being blessed now instead of waiting for heaven. Why pray then if nothing to ask God for. People pray and sometimes get a blessing. That could be once in 5 years. faith receives from God daily.
