Death and life are in the power of the tongue.

In Matt. 12:31 All manner of sin and blasphemy shall be forgiven unto men, but the blasphemy of the Holy Spirit shall not be forgiven unto men.

It is important to see that when a person criticizes a Holy Spirit filled Assembly, are they saying in a certain way that the works they do are of the devil? To say that they are a cult is to say they are not of God. Therefore implying that the healings and other great manifestations of the Spirit are not of God. This is serious and you must deal with it. Hopefully you haven't crossed the line.

Here is a example of the fall of a minister in the past. His name was John Alexander Dowie. His material is still available. I have seen the picture of the meeting place with crutches hanging on every wall. Many healings and deliverances etc happened there. He made mistakes that ruined his ministry. For sure he was a man of God and his works were tremendous.in the beginning.

H.E.F. was a humble man and never exalted himself. He never taught others what he did to force them to copy. He was a good Shepherd over his sheep to protect them from errors and the false of his day. The faith message is designed for a believer to reach into the realm of God's unseen glory. If they walk in his real presence they bring the power of his manifestation of anything they ask for to their possession. As they wait it surely comes into the visible realm. He promises we will not suffer more than we can bare so it will come.

Any doubt or unbelief will hinder. prayer for God to help our believing is also available. God by all means wants us to have our answer. Lk. 12:32 it is the Father's good pleasure to give you the kingdom. also sin will hinder. 1Jn.1:9 confess your sins for forgiveness.

Matt. 13:30 the tares will grow with the wheat. They are of the world and the world will listen to them. We can rejoice that we are his elect and are given a heart to believe by his Holy Spirit. We are seen as his righteousness as we walk upright and share his good news of the kingdom.

When I was visiting a certain church, I had to use the rest room and several boys were in there talking about drugs smoking. It is very possible to think a second thought about why youth would be out there calling a church a cult due to their not liking preaching on a holy life and faith. I am hopeful that youth of Christian parents will turn to Jesus and see he is the only way. Also that

parents will be good examples as they are being watched closely.
