I was curious as to others thoughts on the election in America for President, I'm not trying to stir or make controversy just wondered what others might have to say about it.
Especially I'm wondering about what the people of Canada think...(Mark Lederman)
In God's sovereign plan he put Trump back in office for a purpose, is it to lead America back to God , or part of His plan for judgment against America? I pray it's a return to godliness. There are spiritual deficiencies in our nation and our churches that seem to me to be sufficient enough to bring on God's wrath at any time.
While it'd be great for inflation to get controlled, the boarder secured, the economy back, keep us out of wars, ect. I believe the more pressing needs are concerning morality, the abortion issue, gender confusion, same sex marriage, addictions, ect.
A president can work to make laws governing these kinds of issues but hearts have to change to bring about godly changes.
Honestly I was afraid Harris would win, God didn't allow that, I hope we can see His mercy in this.
