Gary,

Thank you for your detailed reply. I think as I said to Jman that we are coming to understand each other & a greater clarification on those scriptures. I agree with what you said as I was brought up with the 5 fold ministries.

Quote: `In our meetings the five fold ministry gift of Teacher means something different then the average church out there. Most think this is a person who comes in and teaches the Bible like a school teacher would teach Math or English in school.

Someone who may have the "gift" of Teaching like in Ephesians 4:11, has a special anointing from God to expound the scriptures and has revelation and understanding that does not come from the human mind. Its a gift that only God can give.`

Thus the point we are coming to is the definition of teaching. So a woman sharing, teaching in the capacity like a school teacher, (as you said) is quite acceptable. May peace reign!

One other thought, I appreciate everyone listening to what I have been taught & will share more as we journey.

Quote: `Here on a public forum everyone has liberty to share their thoughts and in your situation your telling us what the Lord showed your Grandpa 30 years ago. It has been interesting and I would like to see the whole picture of what he thought on the end times.`

Blessing, Marilyn.
