The Lord Jesus is so longsuffering and good to us. Recently on a Weds evening, at Sand Hill Bible Church, there was a Word of knowledge about someone with a hip problem. That very morning while I was praying at the Church, I was limping around with a very painful hip. I received the Word of Knowledge with joy and also believed for a painful knee to be manifested healed. I had previously claimed my healing by calling on Jesus, my healer, our great physician! Both healings were manifested and I want to declare that I love You Jesus and I thank You that You are so faithful and that You watch over Your word to perform it. Praise You Lord Jesus and Thank You Heavenly Father!
