William,

Christ is the Royal High Priest after the order of Melchizedek.
I wrote that in my outline, Christ's Priesthood & Kingship. The typology of that is as God's word tells us, Melchizedek, a King Priest rather than just a priest, or just a king.

It is what we all know from scripture. The point of difference I see is that I believe we function as priests & kings, worshipping & serving, in the heavenly realms in eternity.

I never called my beliefs a Melchizedek doctrine. Jman did that. (10545)
