This matter has nothing to do with personal PM's.

It have everything to do with what he has not shared concerning who he is and why he thinks he has authority to act like he is a part of FA.

It is all out in the open on everyone else's part.

It is Jman's turn to be open and reveal who he really is.

Oh Yeah! Next your going to want to know where Clark Kent keeps running off too. Where does it stop?
