Thank you, James,

That word is very encouraging - knowing that others are praying for me/us & also exhorting - for me/us to do the same also.

It reminds me of the passage I love, when Paul wrote to the Ephesians.

`...every joint supplies, according to the proper working of each individual part, causes the growth of the body for the building up of itself (by the Holy Spirit) in love.` (Eph. 4: 16)

What a privilege, what a responsibility.

Blessings, Marilyn.
