These recent posts have been such a blessing to me.

I really believe that when we are experiencing His love for us, and our love for each other, we will then carry the burdens necessary for the masses.

I have felt that we have had the power, but no burden.

I love being loved by Jesus and by those who have His open arms, as well. I really want so many who are lost to know this kind of mercy and love.

Let the floodgates of love open, then we will see the greater works. I believe that day is very soon.
