Today is Sept. 16, 2017. There are a small amount of Stelarium watchers, who reveal the sign of Rev. ch. 12 message. The truth is the manchild is about to be born Sept. 23 on the feast of trumpets. NASA hasn't said anything. Can be watching for manifesting of something if rapture doesn't occur. I do notice a blood moon event for 2018, thought that would be for Israel and also overcomers ??? By the way I haven't run out of love for saints at all. God bless.

Nice to see you back Dave. I think about you sometimes and wonder how you're doing.

Be interesting to see what happens on Sept 23. If anything

I for one will be watching.

Hi Dave,

I too think of you from time to time and hope you are well and blessed in Christ.

As to the question "will the rapture be next week?", we know that NO ONE knows except God. So it certainly could happen this week, but I doubt God would time it to coincide with their predictions.

Well I guess the rapture didn't happen. Or at least it didn't happen to me. James posted after the 23 thd so he is still here as well. Maybe that is where Gary went! +

Hmmm. now that I think about it we haven't heard from William lately . . .

For whatever it is worth I seriously doubt Dave actually expected the rapture to occur.

Well, I'm still here. I have been closer to God the past few weeks because I have been redoing my RV roof but haven't noticed any heavenly events!

Also I wanted to let you know that I really liked your thoughts in the "Spirit of Whoredoms" thread. If I can carve out some time I will jump in with a few thoughts of my own.

Blessings,
William

Hey William,

Been thinking of you, I'd bout figured you'd loaded up that RV took off into the wild blue yonder.

Jump in anytime, just be sure not to 'jump' off the RV roof....use the ladder.<grin>

My thoughts are that the Body of Christ has to come to the unity of the faith before it can be caught away to the Lord.

`...till we all come to the unity of the faith and the knowledge of the Son of God, to a perfect, (mature) man,...` (Eph. 4: 13)

What are your thoughts on this?

regards, Marilyn. (still here)

Sorry for being out for awhile. Have been battling hindering spirits. It is true that we are still here. By the grace of God I still hear God's voice daily, and know he would reveal if rapture occurs. The issue in hand is that God speaks also by signs. Here is a little interesting statement , in my words. The Revelations ch.12 sign has happened. Sept. 23 2017. But that wasn't all. In the month of Sept. Hosea and Maria came as storms. Also we had a very popular eclipse. Hosea in English is Joseph and Maria is Mary. The sign of Rev. 12 is the sign of Jesus birth. 2017 years later we just saw it. This time it is the birth of the manchild. Good news is that 2018 will have another sign which will not be seen if we are gone (my opinion). Did you know that Rev. 12 is as contraversial as giving up Christmas? That is because only overcomers who are filled with the fullness of Christ will be caught out. The remaining majority have not been cleansed and prepared to perfection. Paul was concerned that as he was running the race that he would fall short and not receive the prize. Grace is the only way possible. This morning God confirmed that it was a sign given to me 2 days ago that the storm would not come to my area of Alabama for harm. Not for any doubt but just speaking wonderfully to me. God bless.

I would like to share a portion of an old prophecy that my grandmother kept. I think it would encourage your heart, and others if they read.

The Lord says -

` It is not the towering ability of individual men that will bring the close of this dispensation to an end, but it will be the ripening , the moulding, the perfecting of a Body of People that will be peculiarly Mine. There will be no possibility for `flesh` to glory, for all will be interwoven one into the other, and

- in the centre of them will be the Fires of Divine Affection,
- in the centre of them will be the seeds of Divine Love,
- in the centre of them will be the deposit of the Eternal Purpose of God;

and when that time will come, it will be far greater! - drawing from the earth a people (who have been Mine) in the sense of rapture; it will be the carrying away from the earth of that functional Organ from the realm of Time into its Eternal Setting,`

BTW the prophecy was through a prophet - Pastor J.D.Eynon, at a church conference at Penygroes in Wales, 1943. The focus of the conference was `Amazing Love.`

My heart today for all. Matt. 24:42-43. The scripture starts with (watch). that word is bigger than we think. it allows no limits. We are responsible to be discerning in that watch. The message from Marilyn is a example of watching. A good message.

What is amazing about the Lord in this time we are in is, the unveiling of scriptural wisdom. Here is a example. The Gideon army, will be those who drink the water God's way. A part of what that is, not only receiving the word, but receiving words that they know not about.

That is why so many say God is not giving fresh revelation to his people. Scripture will confirm a revelation, but it is out of God's not man's wisdom. Only by walking in the Spirit, can this be possible.

.What God desires to do is get his people in one mind and one accord, so they will not be seen as device . when they share his unknown will or plans. A spirit of division is pretty powerful when it is trying to divide the Assemblies. criticism and opinions are not the way of the Spirit of God----only his mind and will shall prevail.

.It is so much easier to communicate face to face, so hope all understand what I wrote here. am thankful for you all, God bless.

Hi brodav9,

Good thoughts there bro. And these scriptures give us what the Lord is saying to His Body by the Holy Spirit -

`For you yourselves know perfectly that the Day of the Lord comes as a thief in the night.....but you, brethren are not in darkness, so that this Day should overtake you as a thief.

You are all sons of light and sons of the day...` (1 Thess. 5: 2 & 4)

`Let us consider one another in order to stir up love and good works,....exhorting one another, and so much the more as you see the Day approaching.` (Heb. 10: 24 & 25)

regards, Marilyn.

About 4 days ago, while sitting in a chair, God by the Spirit spoke to my heart a action to take which was a gentle impression. It would be good to go out to my studio that morning and praise intensely with song. That I did. While there also studied and received a remarkable revelation. Later found that day what it meant by going out to praise. I forgot that this week is feast of Tabernacles. God didn't forget-- he knows I love to praise in a special way on that feast week. Happy feast of Tabernacles to all. Not the law but liberty to celebrate Jesus at this time. All feasts point to Jesus.

.Did you know----- 3 serpents encompass constel. of Virgo and the red dragon head is in her womb. right now. . Did you know ----- This Friday Oct. 13, Jupiter will exit Virgo womb and sit right where the star of Bethlehem sat. at Jesus sign of birth. .Did you know----- 2 times on the white house lawn, Bill Clinton caused Netanyaho to sign the peace treaty of Israel and Palestine. it was tore up later because the Palestinians broke contract. In the future at those dates and times there were partial eclipses. ----- also we were not told that in the recent U.N. meeting with Trump dealing with North Korean policy, Netanyaho gave a peace speech also. Did find out Bill and Hilary are Rothchilds bloodline. Later
