To see how determined the left-wing liberal forces that be here in America are to keeping their ungodly laws intact, just look at what's happening with the president's selection for U.S. Supreme Court Justice, Brett Kavanough. Is the timing of these 'revelations' suspect? Of course they are. Can the democrats derail the selection process be creating doubt in this mans' character? Looks that way, but even if they fail his character will be tarnished in the minds of many forever.

God has an agenda, it can't be derailed, nor can any testimony or pressure from the left or from the right can change it, His will will be done.

My prayer is just that, GOD'S WILL BE DONE...(and I trust that's the prayers of all believers...not our 'christian' agenda that 'seems ' right and just, but God's choice.)

O.K. that's my 'getting into politics'....
