I don't like to do this as I think in general people should stand on their own two feet but if anyone has time I would appreciate your prayers.

My wife is in a very serious trial. I have been fasting and praying and will continue but would really appreciate anyone who has some extra time to pray.

I asked this once before several yrs ago for the same trial and it lifted right off her.

I would really appreciate anyone to pray.

Thanks William and anyone else who helped. The Lord impressed my heart several hours after I posted that it was going to be OK. Probably because of your (et al) prayers. Really appreciate the help.

Great! Thanks for letting us know, and please, don't ever be apologetic when asking for prayer!

Blessings,
William

Absolutely Mark, we're told pray for each other and it's a privilege.

And speaking of prayer, I haven't heard anything from Gary in a while, so can we take some time to pray for him and his health when The Lord leads .
