It is not difficult to understand why that would be. A word was put in my Spirit this morning. It is so amazing because it is awesome that God did this.

In Matt. 9:v2 We see that Jesus forgave sins, for he saw faith. and the man was healed. After faith--Jesus forgave--and healed. see that? How would you know without wisdom of God to see Deut. 28:?

In 9:22 the woman was seen having faith then she was healed.

9:29 the blind man could see again-- by faith. Ps. 146:8 the Lord opens the eyes of the blind. This is said about God in the O.T.. That is Yahweh. now Jesus is the Lord- son of God healing the eyes. by man's faith.

What about the O.T.? I mentioned earlier that Deut. 28 comes in on this. What God is showing here is that Jesus is the one who can forgive sins. Also that if one has faith they receive something. So there it is. Deut. 28 is the biggest mention of the obey or disobey the law. When Jesus forgives sin the curse of the law is removed. How to remove the curse or curses? A living faith in Jesus to forgive and take away (any) curse. (by Faith) How ? By faith in his promises. The promises are the blessings of the law. If the law is removed by faith, that is sin or transgression. We are counted as righteous. Rom. 3-4. You will see that in reading Deut. 28. Promises of God are yes and amen--by faith.

Why the devil hates this is because he loves death and curses on people-- especially since he lost his. This is why the battle-- but by faith we conquer. We are made more than a conqueror through Christ Jesus.
