I wanted to bring up a topic we need to seriously consider. This will be brief due to time, but I think it is important. I will do the best I can to check in, even with moving.

Jiz has taken the time and care to minister to me out of this forum. Neat things happen there with people!

He is my first prayer warrior in agreement with me and my situation. Yippee! ...anybody else? I need for my name to pass your lips everyday when you pray. Please let me know who is praying for what concerning me and what He has laid on your heart.

With what has happened to me, I have been praying for three years to the day, marked in my Bible, for Him to brush the dust off of all overcomers all over the world, raise them up, and get the energizer bunnies running again. The questions of numbers, timing, etc., are for another thread. There I go again.

Does anybody else need someone to hold them up in prayer and for what specifically? You cannot get any better than the faith in this place. Besides, it is kinda' hard to be bickerin' when yur prayin' for 'em.

Personally, I am going to start a prayer list as to who responds, and what to pray for, etc. Then we need a thread for manisfestations. Hey Hombre, this is your cue for a slam dunk teaching, or anyone else for that matter. This threads is just for requests.

He has given me Psalms 105 and, of course, Rev. 12.

Blessings, GWB
