I believe Jesus would have me share my story with those who are interested. Please email me, in this forum, and I will send it to you. Due to the nature of my situation, I need to know who you are. I went to FA from six months before the "Exodus" to the new building until 1986; surely it cannot be very hard. Does this mean we are now officially underground?

If I do not know you, I will have to have another member on this forum recommend that it is OK to send it to you. I am sorry, but that is the only way I know how to do it unless someone has a suggestion for me.

It is a story of great battle and great victory. It is a rehearsal in words as to a type of persecution that I believe is near. It is also a story of restoration and not condemnation.

Blessings, GWB
