Does anyone know where I can get Steve Hill's old music albums?

Thank you.

Hello, and welcome to the forum!

I'm not sure where you could get those albums, unless there might be someone who has copies that have lasted. I don't think Steve has them available anymore. He has an updated website... here is the link:

<http://www.sjhillonline.com/>

He sounds the same, but his appearance has 'matured'. <grin>

Blessings,  
William
