Just bought the Kindle version of the book.

You don't have to have a Kindle to read these books. They have a Kindle Reader for your computer (or smartphone) that you download and install. Then, whenever you buy a book from Amazon, your account will sync with your Kindle/Computer/Smart-Phone and you can enjoy the benefits of reading great books for amazingly cheap prices.

Anyway, the link for the Pagan Christianity book is:

http://www.amazon.com/Pagan-Christianity-Exploring-Practices-ebook/dp/B001O2S58W/ref=sr_1_12?ie=UTF8&m=AG56TWVU5XWC2&s=digital-text&qid=1306961799&sr=1-12

I have just finished reading "Pagan Christianity" Again Thanks for the the tip William. I would encourage every one to read it, however I know most wont.

I wont attempt to give a book report William. It is so comprehensive that it opened my eyes on a lot of things in the church. We can say Yeah we know a lot of the church is

from pagan origins but again there is so much that we dont even realize came from pagan origins in every church in existence today including charismatics and evangelical churches and yes even

home churches.. A definite eye opener.

Yes, it was an eye opener, a really good read.

I believe it has gone back up to its regular price though.

Alright, if you're not going to do a report I guess I'll post a couple of interesting highlights in the next few days.

Blessings,
William
