Does anybody need a job?

This is for real and was in the New Albany Tribune yesterday:

GET PAID TO GO TO CHURCH.

We'll pay you to attend a service and give us your feedback.

Sign up: https://www.faithperceptions.com/MysteryGuestProgram.aspx or email; info@faithpeceptions.com

Gotta love it!

Hummm, They'd probably pay me NOT to give feedback, once they heard what I had to say...just sayin'

For all in that area that don't take them up on the offer, it gives new meaning to the expression..."You couldn't pay me to go to church." Says a lot, doesn't it?

I just seen this post. They probably packed the pews that week.

This is beautiful, when you thought you've heard everything then a real gem comes along.

And some people are scratching their heads and wondering why we ain't found a church.

I'm shocked that you all don't see this as a clever way to pack-them-pews! Positively inspired is what it is.

I still think they should adopt my method though...
