Greetings,

I saw on another website a reference to a woman named Anna Schrader who had a prophecy that predicted that FA would be scattered and eventually used around the world in the end times.

I suppose we could say that this prediction has partly come true - FA has been scattered.

I remember another one. I remember brother Freeman saying that several people had visions of him preaching to a packed out Orange Bowl - a very large football stadium in Florida.

I am curious with respect to the exact details that anyone knows about the Anna Schrader prophecy.

Also please share any other prophecies/predictions that were widely accepted at FA.

Especially interesting would be any that came to pass but please post also others even if they did not come to pass.

Thanks

Jman

I have already stated all I know about Anna Shrader on C of FA. I know she is referred to in the Rev. tapes.

I tried to get a hold of her prophecies in book form. I hit a dead end at the time. Perhaps someone else would be better at it than me. It would be very interesting.

Here is Anna Schrader's site:

When looking up a few things, I saw Clara Grace mentioned a few times. I do recall HEF

mentioning her at times too.

Wishing 34

I don't know if you are still around here.

Anyway I remember Brother Freeman saying he had a vision/prophecy of a faceless black man. The Lord told him that America would be brought to judgement through the black race because of the way they were treated while serving as slaves to southern slave owners.

I have read several books on this and it is horrible what the black race had to endure during that time. The southern people treated black people like animals or worse subhuman beings.

Now we have a black president who accepts gays, is pro choice, pro muslim brotherhood, and is out to change America to accept his world view. I have talked to a number of people of late in the world and church who do not think it is wrong for men to marry each other. They all have told me, that is their business and none of ours.

Signs of the times or prophecy/vision coming to pass?

The only other vision I remember HF relating was when Jesus appeared to HF. But to be truthful I only remember bits and pieces of that vision and cannot recall exactly what was shared.

As for other visions and prophecies given through the body, many of them never came to pass or at least a number of them I remember people giving did not take place. I know a number of ministers who hide the fact that they were once part of FA as well.

I talked with a woman last summer who is pro, hardcore, Freemanite and she was saying everyone she knew in the body was witches. She told me her mother was a witch and her brothers as well. I had some long talks with this lady, she was one who had regular visions and prophecies in church.

One day a new phone device she had purchased was not working correctly and she told me someone had witched her device, I then took the device and reprogrammed it the correct way and it has worked every since.

I think we should take all prophecies and visions from men with a grain of salt, unless they totally

line up with what God has revealed to us in His word.

I just found two volumes of Anna Schraders prophecies. Thin books about thirty pages long. I have volumes 11 and 12 called: "Prophecies of the Ages".

The sad thing is I did some checking around looking for more of the volumes and ran across these prophecies:

Quote: Unless a second historical witness confirms the prophecy, the exact wording of Anna Schraderâ€™s prophecy is subject to legitimate sceptism, especially in light of the following prophecy that is also attributed to Anna Schrader:

â€œThe next incident was a stirring message given in the Spirit and interpreted, almost identical to two others which were to be given in other Branham meetings in different places, a sure testimony of the authenticity of this anointed ministry. It was uttered with such rousing force that it

almost seemed unearthly, and this was the gist of the messageâ€¦ that as John the Baptist was sent as a forerunner of the Lordâ€™s first coming, so was He sending forth this evangelist and others like him to move the people and prepare them for His second coming. Months later we heard this same message interpreted amidst a large crowd of people attending the Branham meeting in Tulsa, Oklahoma, by Sister Anna Schrader whom we later learned to appreciate deeply. Truly, these words penetrated our hearts.â€• (Gordon Lindsay, A Man Sent From God)

â€œMrs. Schrader, I got your note. (I know Sister Schrader.) You asked me about the tape. I havenâ€™t been home yet to hear it. Iâ€™ll get it when I get home. Sister Schrader, youâ€™re a good woman. I love you, my sister. You was the one, me not knowing you, when I walked in and someone spoke in tongues, and you gave the interpretation, and said the very same thing that the Light did, when it come down over me down there, when I first was a Baptist preacher. Said, â€œAs John the Baptist was sent forth to forerun the first coming of Christ, youâ€™re sent forth, and your message will forerun the second coming.â€• (W. Branham, Sermon: The Way Back, November 23, 1962, Par. 203)

It appears some of her prophecies did not come to pass. William Branham later started claiming he was none other then Elijah.

Some of these facts are documented in Freda Lindsay's book, she is the wife of the late Gordon Lindsay.

All of this is very interesting. I did find a book concerning her prophecies.

In light of this article I would be surprised if there was a prophecy given concerning FA, unless someone remembers the specifics.

I just ordered the book. This will be a very interesting read.

Also, I believe that many prophecies are coming to pass that these old saints brought forth.

BILLYE BRIM QUOTE: [Billye was Kenneth Haginâ€™s book editor for 10 years.]

http://www.billyebrim.org/

â€œSister Clara Grace saw a vision of the last days. She saw the church prone on the ground, weak. And then she saw, like a veil. And beyond the veil she could look through; It was on the other side of the veil, you know. She saw this weakened church here. And she saw heads from the other side of the veil pressing through. They were pressing through to resurrection. The Lord said they were â€˜Just men made perfect who were pressing through to resurrection.â€™ Then she saw a group here on the ground, Godâ€™s mature saints. And they were passing behind the veil, and they didnâ€™t die to go there. And they were getting the glory. She saw the glory from behind the veil. She saw the 2 groups from beyond the veil and this side of the veil amalgamate and make one. And they moved in a cloud of glory over that church. That church, it strengthen the feeble knees and the arms among them. And it stood up and stretched up itself and rose up to the glorious church.â€•

This is happening. God is raising up young people and they are doing great things. Greater works...not yet. Raising the dead, arms totally being replaced...not yet. But, I believe that it is the near future.

I do know that some are going behind the veil and are being transported to minister around the world.

I know that God has been dealing with me about walking with Him on this side and behind the veil in the Spirit.

This is something HEF talked about in the end-times.

Also, I know that all that was prophesied about FA did not happen. That does not make HEF ministry null and void.

I know what I have lived. Most know my story and testimony. I know what I fight everyday.

"Those within your own household will hate you and want you to be killed." My paraphrasing. Maybe William can look that up for me.

Again, there is a reason why Satanists and Luciferians are actively coming against HEF ministry. There is a reason Satan appeared to Bruce Kinsey and offered him everything to destroy HEF ministry. There is a reason why the Satanic Bible's dedication has HEF mentioned and targeted. There is a reason why Satan has so many people trying to downgrade FA and HEF.

He was a man. He was not perfect. Neither are we.

I don't understand everything. I can't answer all of the questions that you and I have. I know I have made myself very vulnerable in sharing my story and what I believe is happening. That is fine with me. I am OK with it. I know He has a glorious purpose in all of it.

He kept me at death's door every single night in that house. I rolled over not knowing if I would wake up in heaven or on this earth. He will certainly keep me now.

I just wanted to share this because it might be a part of the puzzle after all of these years. It might minister to others to help each other to go deeper and to fulfill all that He has for us.

I will always believe that:

"There is war in the heavens!"

It is happening now. By faith and His grace, I am a part of what is happening in the spiritual realm in the times in which we live.

I will share anything more that I learn or that He would have me bring forth. I look forward to other's testimonies as well.

In retrospect, we claim to be overcomers, myself included.

When overcomers are manifested, on which side of the veil will we operate?

It has always been a mysterious manifestation to me.

Are Overcomers caught up, taken, raptured? Will those privileged souls operate from both sides of the veil? Some already are.

Are overcomers being manifested as we speak?

I am interested in other opinions.

144,000 is quite elite in light of billions who have walked the earth.

I don't think it is asking too much to know how to operate in this supernatural experience.

I am believing, with all of me, to understand.

After all, this is OvercomersOnline. In presenting all of this, I hold no hostility. I do challenge those on OO, and myself.

These are just a few thoughts thrown out there.

Being transported was common knowledge at FA. It was always referred to the future and end-times. It is not futuristic anymore. It is happening.

Any thoughts or opinions?

Overcomers and their manifestation. Predictions of FA. This topic is exciting and challenging.

I will always try and seek to understand the gold that was presented to us years ago.

Resurrection power....

Walking in the supernatural with Jesus in the natural and supernatural (both sides of the veil).....=

34 â€œDo not think that I came to bring peace on earth. I did not come to bring peace but a sword. 35 For I have come to â€˜set a man against his father, a daughter against her mother, and a daughter-in-law against her mother-in-lawâ€™;

Is this the scripture your thinking of?

Don't feel alone in all of this. We have family members who are vicious against us because we take a stand on sin. The one gal professes to be a Christian but does not hesitate to spread lies and untruths. We've tried to reason with her but it does no good.

I think she has opened some doors to the demonic, her personality almost seems altered from what she was before. She takes Xanax and other drugs for her mental anxiety.

I think that drug is not good and I find more and more people are taking it, I think for stress, but don't know for sure.

Anyway it will be interesting to see if you find a prophecy concerning FA in this book. I have read quite a few of Gordon Lindsey's books and I believe he had a real heart for the Lord.

I have read that Anna Schrader prophesied about William Branhams death two years before it happened.

Lord Bless,
Gary

Yes. Because I love Jesus and went to FA, family members want me to be dead. Hey....Good and awesome sign!!! Don't care for them until they are manifested anyway!!! lol they are a Babylonian lot on all of those lots!!! Lol

My earthly father would be SO sad and disappointed with some of his children. However, what a great testimony they will have! What great mercy and grace they will know after what satan tried to steal. NOT!!!

It is well. My Heavenly Father is in control!

Thanks for the encouragement. There are so many deceptions happening.

I will read and try to see what she has prophesied.

Then, I can run it through OO!!! So thankful for that!

What a treasure of experience and knowledge of Him and the Word.

Hard to find these days.....

The prophecies I have are very basic and encourage people to a life of prayer, (at least so far), I have not read them all, but will go through them and see what she is sharing.

This series of books was originally written by Gordon Lindsey at Christ for the Nations. They may be out of print and then again the college down in Texas may have them on file. I have not heard much about this group since Gordon died.

I did hear once that they got caught up with Copeland and Hagin and I hoped they did not pick up on the heresies they were propagating.

Yes, dividing them is a must.

That group was JDS everywhere. That is why HEF broke away from them around The Glory Barn time.

We will see.
