I know of a sister in the Lord from our meetings going through a bad time. She is having panic attacks where she goes into a rage.

I have fasted and been in prayer, but it appears she is growing worse. Several sisters here are going to fast today and intercede for her deliverance.

I don't know of anyone in our area who can pray in faith and battle the devil.

Her husband who is making it worse as I think he has brought this on.

Sorry I don't know what to do here but need anyone to pray for her deliverance as it appears she is losing her mind. She does not want to be admitted to get help but her behavior is not good.

On the one hand I don't know all the details but this has come to a vicious divorce like I have never seen before.

Need prayer for wisdom on what to do as well.

Thanks, Gary

One more note, someone called me out of the blue while this was going on and had me come over and pray for their deliverance from unclean spirits, I took two ladies through deliverance. First occult deliverance and then I was able to cast out the demons.

They need prayer as well.

I appreciate your prayers as I don't know of other Christians who can pray through.

Sorry about anything that happened in the past, God has been working on me.

Gary,

I will be praying for the sister there as well as God granting you wisdom and direction as you seek Him in this matter. I understand a bit concerning these mental attacks, I have experienced them to some degree.(extreme anxiety) I'm sure others will join in as well, I can say that the prayers of the saints were a real blessing to me during my times of trial.

I am overjoyed to hear from you, God is working in us all, isn't the Grace of God amazing?

Yor brother in Christ,

james

Hi Gary,
I too will be interceding for wisdom from our Lord for you and this sister. One will put a thousand to flight and two ten thousand. Must be the Lord has something really good for her since the devil is trying(but will not succeed) to take her mind.
Also rejoicing with you for the other two sisters getting deliverance. I am so thankful for prayer in the spirit, when the Holy Spirit can pray through us for people we don't know.
Great to hear from you Gary.

Thank you all for your prayers. As the Lord leads continue to remember this sister in the Lord.

Pray for the family as well, some are in an uproar. She is in the thick of the battle, her name is Brenda.

When an adult wants to practice Christianity in America, freedom of religion is frowned upon by most. The sister is looking to the Lord for her deliverance by freedom of choice. No one is telling her what to do, as she needs to hear from the Lord as well.

The details are not important as I know the Lord can show you what to pray for. Everything written on the internet, through facebook, twitter, etc. is being used against people in some cases.

Thank you again for your interceding before the Lord on her behalf. The prayers of the righteous avail much.

In Him,
Gary
