We are planning for the Passover Feast!

Jesus, our Passover Lamb.

Sorry, I still can't handle God of Ishstar fertility eggs, bunnies, and such.

What a freedom! I can celebrate our Saviour's resurrection biblically!!!

Hi Gilly,

We had a Passover Feast here one time & it really helped me to appreciate what it meant to Israel & also how it points to our blessed Saviour. Have a blessed celebration with family & friends.

All the best, Marilyn.
