Overcomers are not failing excuse makers - that seems to be the popular position of many in religion. If a person is not like Jesus - they better find out why and connect with God to fix it.

Thanks Gilly,

That is so heart rending. I have a friend who did a mime to that song. It was so moving. We need our hearts to be continually softened as the world and all its influences continually harden us.

I always liked Ray boltz, but now that I know he's an admitted Sodomite I have reservations about listening to it.

Its easy to sing songs about what everybody should do in life but living it is a whole different ballgame.
